To Whom It May Concern:

I had some time ago spoken to someone from your office, and was just recently advised that I should also send in writing that I am no longer in any way affiliated with Citizens for a Better Quincy, a Political Action Committee. I have not had anything to do with and turned over all records I was in possession of to Dan Brink, the Treasurer about a year ago. I currently have nothing to do whatsoever with this group and would be most appreciative if you would update your records to that effect.

Sincerely,

Luke Neuser
