Attn. Assistant Director of Campaign Disclosure, Andy Nauman

Chicago, IL 60601

Dear Andy,

On March 19, 2012 the 27<sup>th</sup> Ward RDO Committee received a \$15,000.00 check from the Friends of Walter Burnett Jr. Committee. I entered that check as a transfer-in, and submitted the required A-1 Report. The entry should have been entered as a loan received.

On March 27, 2012 at 4:23p.m., I called the Chicago Office of the Illinois State Board of Elections to inquire about the reclassification. I was instructed to delete the original entry and resubmit the entry as a loan received, which I did.

After speaking with you, I now know that was a faulty correction method and will make every effort to properly enter future entries.

Sincerely,

John Navigato
