Board of Elections

24786-4

My name is Jim Conro and I am the candidate for the **Citizens to elect Jim Conro** to the Board of Education for St Charles District 303 Schools. Our committee was created on December 19, 2012 and shortly after this date my wife and I traveled to Florida. I did not return to Illinois until January 17, 2013 and all of the forms (paperwork) were delivered to a PO Box. Our committee only existed for twelve days in the 4th quarter and we have no money.

Sincerely

James P. Conro
