Dear Kim,

In reference to you letter dated September 6, 2013 I am writing to clarify two of our in kind contributions.

On 4/5/13 Caren & Terrence Newsome each erroneously gave \$5000 instead of \$50. The amount was refunded to them and corrected for the report, however it was discovered after the A-1 was filed.

On 6/21 Kimberly Martin erroneously gave \$2500 instead of \$25 and the amount was again refunded however, it was done after the A1 had been filed.

Also, on our next report there will be an A1 filed for a Verna Cox, however the actual contributor was Don Fike at \$1000. Therefore the A-1 for Verna Cox has been corrected to the name of Don Fike for the D2 report.

Please do not hesitate to call should you have any questions.

Sincerely,

Rex Schaeffer
