Re: Friends for Renee Kosel Campaign Committee ID 12338, Duplicate A1

To whom it may Concern,

As a new user of IDIS 3.0 I first want to commend you on the ease of use of the program. I am transferring my data from a private vender to your program and in doing so an A1 that was filed under the private vendors program on 10/3/2013 for \$1000 from Comcast was filed a second time on under IDIS 3.0 on 10/08/2013. There is only one check from Comcast. I was instructed by your office to file the second A1 and follow it with this letter

Hope this clarifies the issue.

Sincerely

Renee Kosel - 10/8/2013
