PREFACE

This *Candidate's Guide* has been prepared to provide information for candidates seeking office in 2018. It includes a listing of the offices to be nominated or elected, filing dates, general requirements for filing, and specific requirements for individual offices. In addition, information is provided regarding nomination procedures and the objection process. Also included is a section that provides answers to some of the more frequently asked questions about nominating petitions and procedures. A signature requirements section is included at the end of the guide.

All citations contained herein refer to the Illinois Election Code (10 ILCS 5/1-1 et seq., as amended) or as otherwise indicated. This Guide may be amended to include new legislation and court decisions. Please visit the Illinois State Board of Election's website (www.elections.il.gov) for any updates.

Legal information contained in this guide is not binding and should not be construed as sufficient argument in response to an objection to any candidate's nominating papers. The State Board of Elections recommends that all prospective candidates consult with competent legal counsel when preparing their nominating papers.

Statutory deadlines for filing objections and for withdrawing from all but one incompatible office will depend on the filing period. Specific deadline dates can be found in the SBE *Election and Campaign Finance Calendar for 2018*. The calendar, this guide, and filing date announcements can be found on the Illinois State Board of Elections' web site:

www.elections.il.gov

Additional information may be obtained by contacting your election authority (county clerk or board of elections commissioners) or the Illinois State Board of Elections in Springfield (217) 782-4141 or Chicago (312) 814-6440.

Important Notice: Effective with the 2018 primary election and continuing thereafter, the State Board of Elections will implement a limited "apparent conformity" review of all nominating petitions filed with it. The review will take place after a petition is filed, and will be limited to determining the following: (1) whether a signed Statement of Candidacy has been filed, and (2) whether the filed nominating sheets contain gross signatures equal to or exceeding 10% of the minimum number of signatures required for the office sought.

All candidates whose petitions fail the apparent conformity review will be notified in writing and given the opportunity to appear before the State Board of Elections at its first meeting held to call petition objection cases, before a determination is made to reject the candidate's petition on the basis of non-conformity.

Additionally, SBE employees will no longer be available during filing periods to notarize documents.

REQUIREMENTS FOR FILING NOMINATING PAPERS

A. GENERAL FILING INFORMATION

1. Candidates are strongly advised to obtain legal counsel regarding their legal qualifications for office, proper method for completing petition forms with respect to the office, minimum and maximum number of signatures required, qualifications of petition signers and circulators, etc.

NOTE: Candidates should contact the election authority or the local election official who is responsible for receiving the filing of the petition for nomination and/or election to office for information as to the specific number of signatures required on a nominating petition for a specific office (or for the data needed to calculate that number).

2. Candidates must file for office by one of the following methods:
 - a. candidate of an established political party;
 - b. candidate of a new political party;
 - c. independent candidate; or
 - d. as a nonpartisan candidate [certain sanitary districts (see page 32), school boards and nonpartisan municipalities.]
3. Candidates **must** file the following papers, except as noted:
 - a. statement of candidacy;
 - b. loyalty oath (optional);
 - c. receipt for filing a statement of economic interests (not required for Federal Office or political party offices -- see page 10); and
 - d. nominating petition sheets, containing a sufficient number of **original** signatures.

NOTE: Certificate of Officers Authorized to Fill Vacancies (**new party filings only**): A new political party petition must have attached thereto a certificate (SBE Form P-8C) stating the names and addresses of the party officers authorized to fill vacancies in nomination. Failure to file the certificate will not invalidate the petitions but will preclude the new party from being able to fill any vacancy that may occur. [See *Peoples Independent Party v. Petroff*, 191 III. App 3d 706, 138 III. Dec. 915, 548 N.E. 2d 145 (5th Dist. 1989)]

4. Election laws prescribe the general format to be used when seeking nomination to office. The State Board of Elections has prepared **suggested** forms for petitions, statements of candidacy, etc. The official State Board of Elections form number to use is included under each office listed in this guide. Forms may be downloaded from the State Board of Elections website (www.elections.il.gov). Forms may also be obtained from many of the election authorities, and are available for purchase from election supply vendors.
5. Petitions may be filed by mail or in person, by either the candidate or a representative of the candidate.
 - a. Information on where to file is included under each office listed in this guide.
 - b. Filings must be made within the appropriate filing period discussed on page ii. (10 ILCS 5/7-12, 8-8, 10-6)
 - c. Filings must be received no earlier than 8:00 a.m. or the normal opening hour of such office, whatever the case may be, on the first day of the appropriate filing period and no later than 5:00 p.m. or the close of business, whichever is later, on the last day of that filing period. [10 ILCS 5/1-4, 7-12(6), 8-9, 10-6.2]

Welsh vs. Education Officer's Electoral Board, 322 Ill.App.3d 568, 750 N.E. 2d 222, 255 Ill.Dec. 641 (1st Dist. 2001)

NOTE: The State Board of Elections will **NOT ACCEPT** any petition for filing after 5:00 p.m. on the last day of the filing period. This applies to any individual(s) waiting in line as of the 5:00 p.m. deadline who has not yet filed his/her petition(s).

- d. Petitions sent by mail (United States Post Office only) and received **AFTER** midnight of the first day for filing and in the first mail delivery or pickup of the first filing day shall be deemed filed as of 8:00 a.m. of the first filing day or as of the normal opening hour of such day, as the case may be. Candidates who file by mail with the State Board of Elections and wish to qualify for the lottery, must **mail** (US Postal Service only) their petitions to the State Board of Elections, 2329 S. MacArthur Boulevard, Springfield, IL 62704. (The State Board of Elections no longer maintains a P.O. Box) Nominating petitions received through other delivery systems are not considered "mail" and will not be included in the lottery. It is important to note that petitions received **BEFORE** the first day of filing cannot be accepted. (10 ILCS 5/7-12, 8-9, 10-6.2)

6. Ballot Position Lottery (see page 47)

- a. The lotteries are held within nine days following the last day to file petitions.
- b. Petitions filed in person at 8:00 a.m. on the first filing day or at the normal opening hour of such day, as the case may be, and petitions filed by mail and received in the first mail delivery of the first filing day are included in the lottery drawing to determine the first ballot position.
- c. Petitions filed in person after 8:00 a.m. on the first filing day or after the normal opening hour of such day, as the case may be, and petitions filed by mail and received after the first mail delivery of the first filing day are not included in the lottery drawing and are placed on the ballot in the order filed.
[10 ILCS 5/7-12, 8-9, 10-6.2]
- d. Two or more petitions filed within the last hour of the filing deadline (between 4:00 p.m. and 5:00 p.m. on the last filing day) shall be deemed filed simultaneously and are included in the lottery drawing to determine the final ballot position.
[10 ILCS 5/7-12(6), 8-9(2), 10-6.2]

7. Multiple Filings

If multiple sets of nomination papers are filed for a candidate for the same office, the State Board of Elections, appropriate election authority or local election official where the petitions are filed shall, within two (2) business days, notify the candidate of his/her multiple petition filings and that the candidate has three (3) business days after receipt of the notice to notify the State Board of Elections, appropriate election authority or local election official that he or she may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority or local election official, the last set of petitions filed shall be the only petitions to be considered valid. If the candidate fails to notify the State Board of Elections, appropriate election authority or local election official, only the first set of petitions filed shall be valid and all subsequent petitions shall be void.
[10 ILCS 5/7-12(11), 8-9(4), 10-6.2]

NOTE: If petitions for nomination have been filed for the same person with respect to more than one political party, his/her name shall not be certified for the primary ballot of any party. If petitions for nomination have been filed for the same person for two or more offices which are incompatible, a person must withdraw as a candidate for all but one of such offices within the 5 business days following the last day for petition filing or his/her name shall not be certified for the primary ballot for any office. The withdrawal notice must be in writing and notarized. Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. [10 ILCS 5/7-12(9), 8-9(3), 10-7]

The Office of the Attorney General has issued a number of opinions on incompatibility of offices. For questions concerning the same, contact the Opinions Division of the Attorney General's office at 217/782-9070.

B. NOMINATING PETITION SHEETS

1. Petition Sheet Heading

- a. The top portion (heading) of the nomination petition pages which includes information relative to the election, candidate(s), office(s) and political party, where applicable, must be completed **prior to** circulation of the petition sheet.
- b. **The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition** (Other election authorities may follow a different rule in regards to petitions filed with them).
- c. The candidate's given name or names, initial or initials, nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. No other designation such as a political slogan, title, degree or nickname suggesting or implying possession of a title, degree or professional status, or similar information may be used in connection with the candidate's surname.

[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

NOTE: If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (iii) and the date or dates each of those names was changed. Failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate; however, these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.

[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16.3(e)]

- d. A political slogan is defined as any word or words expressing or connoting a position, opinion or belief that the candidate may espouse, including but not limited to any word or words conveying any meaning other than that of the

personal identity of the candidate. A candidate may not use a political slogan as part of his or her name on the ballot, notwithstanding that the political slogan may be part of the candidate's name.

[10 ILCS 5/7-17(b), 8-8.1, 10-5.1, 16-3(e)]

NOTE: The State Board of Elections, a local election official or an election authority shall not certify to any election authority any candidate name designation that is inconsistent with these statutory references.

[10 ILCS 5/7-17(c), 16-3(f)]

- e. The form of name on the petition sheets must match the form of name on the statement of candidacy. **The candidate's name should appear in exactly the same form on the petition sheets, statement of candidacy and optional loyalty oath.** The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition (other election authorities may follow a different rule with regard to petitions filed with them). Failure to match the name on the petition to the name on the statement of candidacy may result in the candidate not being certified for ballot.
- f. Petitions of candidates for specified offices, which are to be filed with the same officer, may contain the names of 2 or more candidates of the same political party for the same or different offices. However, each candidate must submit his or her individual statement of candidacy, receipt for filing the statement of economic interests and optional loyalty oath.
(10 ILCS 5/7-10)
- g. Each sheet of the petition other than the statement of candidacy and candidate's statement shall be of uniform size and contain above the space for signatures an appropriate heading. The heading must provide the name of the candidate(s) on whose behalf the petition is signed, the office sought, the political party represented, and the place of residence. The heading of each sheet shall be the same.
(ILCS 5/7-10, 8-8, 10-4)
- h. Petition sheets which are filed with the proper local election official, election authority or the State Board of Elections must contain the **original** signatures of the voters and the original signature of the circulator thereof, and shall not be photocopies or duplicates of such sheets.
(10 ILCS 5/7-10, 8-8, 10-4)

2. Petition Circulator

- a. Per P.A. 99-722 (Effective August 5, 2016) an individual who is 17 years of age, will be 18 years of age on the date of the immediately following general or consolidated election, and is otherwise qualified to vote shall be deemed eligible to circulate a nominating petition or petition proposing a public question. **The circulator must personally witness all signatures given and sign the required circulator's statement stating that all signatures were taken in his or her presence.** No one may be considered a circulator of any petition page except the person who signs the circulator's statement.
(10 ILCS 5/3-6, 7-10, 8-8, 10-4)
- b. Petition sheets must **not** be circulated more than 90 days preceding the last day for the filing of the petitions. The circulator's statement on a candidate's petition sheet must specify either the dates on which the sheets were circulated, the first and last dates on which the sheet was circulated or that none of the signatures on the sheet were signed more than 90 days preceding the last day for filing the petitions. See page ii for dates when candidates may start circulating petitions. (10 ILCS 5/7-10, 8-8, 10-4)
- c. A petition circulator may not circulate for more than one political party.
(10 ILCS 5/10-4) *Schober v. Young*, 322 Ill.App.3d 996, 751 N.E. 2d 610, 256 Ill.Dec. 220 (4th Dist. 2001)

This statement shall be sworn to and signed before an officer authorized to administer oaths in Illinois.
(10 ILCS 5/7-10, 8-8, 10-4)

- b. A signer may sign the petitions of one established political party for the primary election and one new political party or independent for the subsequent general election. (10 ILCS 5/10-3)

However, the state, county, city, village and town of residence may be pre-printed on the petition form when all of the electors signing the petition form reside therein. Standard abbreviations may be used in writing the residence address, including street number, if any. **A petition signer must be a registered voter from the address shown opposite his/her signature on the petition.** (10 ILCS 5/3-1.2, 7-10, 8-8, 10-4)
- g. Signatures may be struck from the petition by the circulator or the candidate, prior to filing, in the following manner:
 - 1) The person striking the signature must initial the petition at the place where the signature is struck. (10 ILCS 5/7-10, 8-8, 10-3)
 - 2) The person striking the signature must sign a certification (SBE Form P-2A) listing the page number and line number of each signature struck from the petition. Such certification shall be filed as part of the petition. (10 ILCS 5/7-10, 8-8, 10-3)
 - 3) The person striking signatures from independent candidate petitions must sign an additional certificate (SBE suggested form P-2B) specifying the number of certification pages listing stricken signatures, which are attached to the petition, and the page numbers indicated on such certifications. immediately following the last page of voters' signatures and before the certifications of stricken signatures. (10 ILCS 5/10-3)

- 4) All of the foregoing requirements are necessary to effect a valid striking of any signature. Provisions authorizing the striking of signatures do not impose criminal liability on any person so authorized to strike signatures that may be fraudulent. (10 ILCS 5/10-3)

- a. The petition signature sheets must be **original** and of **uniform size**.

 - 1) statement of candidacy;
 - 2) loyalty oath (optional);
 - 3) receipt for filing the statement of economic interests (not required for federal or party office). The receipt may be filed at any time during the filing period and will not change the initial date and time of filing. (Candidates for county office need only file the statement itself.)

The above documents are NOT numbered.

- 4) Any certifications related to the striking of signatures shall be attached immediately following the last petition signature sheet and numbered consecutively beginning with the number "1." (10 ILCS 5/7-10, 8-8, 10-3)
- 5) For all new political party petitions, the petition must have attached thereto a certificate (SBE Form P-8C) stating the names and addresses of the party officers authorized to fill vacancies in nomination. - 6) Any other documentation which may be required to qualify for a specific office.

- d. The petition signature sheets must be **neatly fastened together** in book form by fastening them together at one edge in a secure and suitable manner.

C. STATEMENT OF CANDIDACY (10 ILCS 5/7-10, 8-8, 10-5)

1. Each candidate, whether an individual candidate or one whose name appears on a group petition or certificate of nomination, must complete and file a statement of candidacy. The form of the candidate's name, as printed and signed, should match the name as printed on the petition sheets. Furthermore, the address of the candidate, the office for which the person is a candidate, political party designation, if applicable, and statements that the person is qualified for the office specified, should also match the information as printed on the petition sheets. See each individual office in this guide for the correct SBE Statement of Candidacy form. **This statement must accompany the nomination papers.**
2. In the designation of the name of a candidate on a petition for nomination or certificate of nomination, the candidate's given name or names, initial or initials, a nickname by which the candidate is commonly known, or a combination thereof, may be used in addition to the candidate's surname. The State Board of Elections will certify each candidate's name as it appears on the first numbered page of the petition. Other filing offices may refer to other documents such as the statement of candidacy when determining the actual name to be certified. No other designation such as a political slogan, title, degree or professional status or similar information may be used in connection with the candidate's surname.
[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

NOTE: If a candidate has changed his or her name, whether by a statutory or common law procedure in Illinois or any other jurisdiction, within 3 years before the last day for filing the petition or certificate for that office, whichever is applicable, then (i) the candidate's name on the petition or certificate must be followed by "formerly known as (list all prior names during the 3-year period) until name changed on (list date of each such name change)" and (ii) the petition or certificate must be accompanied by the candidate's affidavit stating the candidate's previous names during the period specified in (iii) and the date or dates each of those names was changed; failure to meet these requirements shall be grounds for denying certification of the candidate's name for the ballot or removing the candidate's name from the ballot, as appropriate; however, these requirements do not apply to name changes resulting from adoption to assume an adoptive parent's or parents' surname, marriage to assume a spouse's surname, or dissolution of marriage or declaration of invalidity of marriage to assume a former surname.
[10 ILCS 5/7-10.2, 7-17(b), 8-8.1, 10-5.1, 16-3(e)]

3. The candidate must swear to (or affirm) and sign the statement of candidacy, and the statement must be notarized.
4. A person who filed a statement of candidacy for a partisan office as a qualified primary voter of an established political party or who voted the ballot of an established political party at a general primary election may not file a statement of candidacy as a candidate of a different established political party or as an independent candidate for a partisan office to be filled at the general election immediately following the general primary for which the person filed the statement or voted the ballot. A person may file a statement of candidacy for a partisan office as a qualified primary voter of an established political party regardless of any prior filing of candidacy for a partisan office or voting the ballot of an established political party at any prior election. (10 ILCS 5/7-43)

D. STATEMENT OF ECONOMIC INTERESTS - RECEIPT

1. Each candidate must file a receipt indicating that he or she has filed a statement of economic interests as required by the Illinois Governmental Ethics Act. [10 ILCS 5/7-10, 7-12, 8-8, 10-5; 5 ILCS 420/1-101 et seq.] **EXCEPTION:** The receipt is not required if the statement of economic interests is filed with the same officer with which the nominating papers are filed. (i.e. county officers). [10 ILCS 5/7-12(8)]
2. Candidates are advised to file their receipt at the same time they file their nominating petitions. While the receipt need not accompany the nominating petitions at the time of filing, it must be filed no later than 5:00 p.m. on the last day on which nomination papers may be filed for the office for which the candidate is seeking. **The date and time at which a nominating petition is deemed to have been filed is not changed if the receipt of economic interest is filed at a different date and/or time during the filing period.** (10 ILCS 5/7-12, 8-8, 10-5)
3. Statement of economic interests forms may be obtained from the Office of the Secretary of State (www.cyberdriveillinois.com). County statement of economic interests forms may be obtained from the county clerk.
4. The completed statement of economic interests form must be filed with the Secretary of State, Index Division, 111 East Monroe, Springfield, IL 62756, for candidates that file petitions with the State Board of Elections, or with the county clerk in the county in which the principal office of the unit of local government with which the person is associated is located. However, if a candidate files his nomination papers by mail, or an agent of the candidate files his nomination papers, the clerk or secretary with whom the petitions were filed will send the notice to the candidate by first class mail. The notice will state that the manual of instructions and forms for statements required to be filed under Article 9 of the Election Code are available from the State Board of Elections. Forms may also be downloaded from the State Board's website: www.elections.il.gov. [10 ILCS 5/7-12-(7), 9-16, 10-6.1]

This provision shall not prohibit the use of public funds for dissemination of factual information relative to any proposition appearing on an election ballot, or for dissemination of information and arguments published and distributed pursuant to law in connection with a proposition to amend the Constitution of the State of Illinois. (10 ILCS 5/9-25.1)

H. FAIR CAMPAIGN PRACTICES ACT

Candidates and committees are urged to abide by the provisions for campaigning outlined in the Fair Campaign Practices Act. This is a voluntary statement made and filed prior to an election, vowing that the candidate making the statement will conduct a positive, rather than a negative campaign. TERM OF OFFICE: Supreme Court and Appellate Court Judges, 10 years
Circuit Court Judges, 6 years
(Illinois Constitution, Article VI, Section 10)

ELECTION: Judicial vacancies and newly created judicial offices are initially elected on a partisan basis. The State Board of Elections is provided with a certification from the Chief Justice of the Illinois Supreme Court delineating which vacancies will be filled by election in the year 2018. Interested citizens may contact the State Board of Elections to learn which judicial offices will be filled by election. The judicial office being sought is the vacancy of the preceding ELECTED judge, not the judge appointed to fill the vacancy until the next election. The nominating petitions and Statement of Candidacy must state the exact vacancy or the exact additional judgeship that the candidate is seeking.

RETENTION/VACANCIES: Once elected to office, a judge may seek to retain that office at the expiration of the term by seeking retention on a special ballot separate from the regular ballot. No party affiliation is indicated on a retention ballot. Nominating petitions are not required to seek retention for another term.

NOTE: When a vacancy occurs in the office of Supreme, Appellate, or Circuit Court Judge within the three week period preceding the 106th day before the general primary election on March 20, 2018 (November 13 – December 4, 2017), a special filing period shall be held not more than 92 nor less than 85 days prior to the date of the general primary election (December 18 – 26, 2017)*. Consult the Administrative Office of the Illinois Courts and the State Board of Elections concerning newly created vacancies. Not less than 6 months before the general election preceding the expiration of his/her term of office (Sunday, May 6, 2018), any elected judge who wishes to seek retention shall file in the Office of the Secretary of State a declaration of judicial candidacy to succeed himself/herself.

[10 ILCS 5/7-12(1)]

***The Illinois state board of elections will be closed on December 25, 2017 in observance of Christmas.**

NOTE: P.A. 97-81 amended 10 ILCS 7-12(9), effective July 5, 2011, such that judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one subcircuit vacancy in any filing period. For any individual circuit court judge candidate, the State Board of Elections will accept only one petition for a circuit court vacancy and/or only one petition for a subcircuit vacancy in any filing period. A new circuit court or subcircuit judgeship created by statute or by conversion of a resident judge position to a subcircuit position is a vacancy. A resident judge vacancy is a circuit court vacancy.

For “in person” petition filings, the SBE staff will accept from any candidate (or filing agent) only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period. The staff will refuse to accept any additional judicial petition filings at the circuit court level for that candidate.

For petition filings by mail or by commercial carriers, the SBE staff will accept and process only one petition for a full circuit judicial vacancy and only one petition for a subcircuit judicial vacancy in any filing period for any candidate.

If multiple petitions are sent in a single envelope (or package):
If the candidate designates a particular petition as the chosen petition, the staff will accept that petition and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are all oriented such that the print side of each petition faces the same way, the staff will accept the top petition in the pile and return the rest of the petitions to the candidate.

In the absence of a designation by the candidate and if the petitions are not all oriented with the print facing the same way, the staff will accept the petition that was on top of the pile when the petitions were removed from the envelope with the postage, postmarked and/or mailing label side of the envelope or package facing up, and return the rest of the petitions to the candidate.

If petitions are mailed in multiple envelopes, the first envelope processed will be the one accepted and all other petitions will be returned to the candidate.

A withdrawal of an accepted petition will be accepted, but no new petition for a different judicial vacancy will be accepted after a withdrawal. Withdrawal and filing of a new petition for the same vacancy will be permitted.

(10 ILCS 5/7-59)
4. The number of votes required for write-in candidates to be nominated or elected to an office at a **primary election**, as outlined above, does not apply if:
 - (a) the number of votes he/she receives exceeds the number of votes received by at least one of the candidates whose name was printed on the ballot for nomination or election to the same office;
 - (b) the number of candidates whose names appear on the ballot equals or exceeds the number of persons the party is entitled to nominate or elect to that office. (10 ILCS 5/7-59)
5. A winning write-in candidate who receives the required number of votes at a primary election must file: 1) a statement of candidacy; 2) a receipt for the filing of the statement of economic interests (exception: federal and party offices); 3) a loyalty oath (optional). These forms must be filed within 10 days of the canvass. The forms must be filed with the certifying officer or board (example: winning write-in candidate for State Representative would file with the State Board of Elections). (10 ILCS 5/7-60)

E. FILING FOR INCOMPATIBLE OFFICES

If petitions for nominations have been filed for the same person for two or more offices which are incompatible, (e.g., State Senator and State Representative), so that the same person could not serve in more than one of such offices if elected, that person must withdraw as a candidate from all but one of such offices within five business days following the last day for petition filing. If petitions are filed for the same person with respect to more than one political party, the candidate shall not be certified for either primary ballot. Judicial candidates at the circuit court level are limited to filing a petition for one circuit court vacancy and/or a petition for one sub-circuit vacancy in any filing period.
(10 ILCS 5/7-12, 8-9 and 10-7)

For questions concerning compatibility of offices, contact the Opinions Division of the Attorney General’s office at 217/782-9070

3. When computing signature requirements, the number of primary electors is determined as follows: a) in a district, the total vote cast for the candidate for such political party who received the highest number of votes, statewide, at the last general election in the state at which electors for President of the United States were elected, and b) in a political subdivision, the total vote cast for the candidate for such political party who received the highest number of votes in such political subdivision at the last regular election at which an officer was regularly scheduled to be elected from that subdivision. (10 ILCS 5/7-10)

5. Blank nomination petitions may be reproduced prior to circulation. The signatures of the signers (voters), circulator and the notary public must be original.

(10 ILCS 10-10, 10-10.1)

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS
(As codified under the Illinois Administrative Procedures Act)

Section 201.40 Simultaneous Filing for the Same Office – LOTTERY

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 a.m., or the opening hour, on the first day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedures set forth in paragraph a) above. For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second and so forth until all numbers have been drawn. For example, where no group petitions were filed, if candidates Adams, Brown, Cook, Downs, and Edwards filed simultaneously at 8:00 a.m. on the first day of filing, and the number three is first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot...and so on. For offices where group petitions were filed, using the example set forth above where candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first, then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified

second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth...and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container, and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order: 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams.

- d) * If at 5:00 p.m. on the last day of filing, two or more nominating petitions for the same office are presented they shall be deemed filed in the order of actual receipt. Ballot position shall be assigned consecutively to these petitions with the first petition received placed upon the ballot before the second set of petitions received and so on. No nominating petitions will be accepted after 5:00 p.m.

*** Per P.A. 97-1044 (Effective January 1, 2013) and P.A. 98-115 (Effective July 29, 2013); 2 or more petitions filed within the last hour of the filing deadline shall be deemed filed simultaneously and the order of candidate placement on the ballot will be determined by a separate lottery drawing.**
[10 ILCS 5/7-12(6); 8-9(2); 10-6.2]

- e) All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases where candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined above) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations where the law requires rotation on a district-by-district basis.

FREQUENTLY ASKED QUESTIONS

SIGNING PETITIONS

- 1. Can a registered voter sign petitions for candidates of more than one political party for the same primary election?**

No. A "qualified primary elector" of a party may not sign petitions for or be a candidate in the primary of more than one party.

(10 ILCS 5/7-10, 10-4)

- 2. May a voter who voted Republican in the last primary election now sign a petition for a Democratic candidate?**

Yes, however, no one may sign petitions for candidates of more than one political party for the **same** primary election.

Kusper v. Pontikes, 414 U.S. 51, 94 S. Ct. 303 (1973); Sperling v. County Officers Electoral Board, 57 111.2d 81, 309 N.E. 2d 589 (1974)

- 3. Can a voter sign an established party petition and a new party and/or independent petition?**

Yes, a voter may sign an established party candidate's petition prior to a general primary election and subsequent to that election, sign a petition of an independent OR new political party candidate prior to a general election. The voter may not, however, sign a petition of more than one independent or new political party candidate's petition for the same office.

(10 ILCS 5/7-10, 10-3)

- 4. How should the voter sign his name when he signs the petition?**

The voter should sign the petition with the same name as he or she is registered to vote.

However, signing with a nickname will not invalidate the signature, provided the voter can be identified and it can be shown that he or she is lawfully registered to vote and qualified to sign the petition.

- 5. Are pencil signatures allowed?**

Yes, but it is advisable to use a pen with dark ink.

6. Are abbreviations allowed on petitions?

Standard abbreviations may be used in writing the voter's address, including the street number.

7. Can ditto marks be used on the petitions?

Though ditto marks are not specifically prohibited, we suggest they be avoided. The use of ditto marks could be objected to and the outcome of an objection cannot be predicted. Also, writing over ditto marks should be avoided because it may appear that the petition has been altered. A circulator can, however, fill in any missing information except a voter's signature.

CIRCULATORS

8. May a candidate circulate his or her own petition sheets?

Yes.

9. When can the circulator start collecting signatures?

No more than 90 days prior to the last day for filing petitions. (See page ii)
(10 ILCS 5/7-10, 8-8, 10-4)

10. If a candidate finds something wrong with his or her petitions after they are filed, can a new set of petitions be circulated and filed before the end of the filing period?

Yes, but the candidate must cancel the original set of petitions in writing. If the candidate fails to cancel the original set of petitions, then only the original petitions shall be considered filed and all subsequent petitions shall be void. [10 ILCS 5/7-12(11), 5/10-7]

11. May a circulator circulate petitions for an independent candidate and an established party candidate?

No.
(10 ILCS 5/10-4)

12. May a circulator sign as a voter on the petition he or she is circulating?

Yes, as long as he/she is a registered voter in the applicable political subdivision or district.

13. May a circulator circulate petitions for an established party candidate and a new party candidate?

No.
(10 ILCS 5/10-4)

14. Is the circulator required to be a registered voter?

No, but they must be a United States citizens and be 18 years of age or 17 years of age on the date of the immediately following general election, and otherwise qualified to vote. They must also include their current address on the circulator's affidavit.
(10 ILCS 5/3-6, 7-10, 10-4)

15. Can a petition sheet be circulated by more than one individual?

No. Only the person who signs the page as circulator can circulate that sheet. By signing as circulator, the circulator is attesting that all signers signed in his/her presence.
(10 ILCS 5/7-10, 10-4)

FILING PETITIONS

16. May a candidate file in person or by mail?

Yes, either method is acceptable. However, if the candidate wishes to be in the lottery for the first ballot position, it is advisable to file in person, as only candidates whose petitions are received in the first mail delivery on the first day of filing are eligible for the lottery.

17. May a petition contain the names of two or more candidates of the same established party?

Yes. An established party may file a slate of candidates for offices to be filled within the State, county or a district (eg: judicial). However, each candidate of the slate must individually file a Statement of Candidacy and a receipt for filing a Statement of Economic Interests. The Statement of Candidacy and the receipt for each candidate must be attached to the original slate petition.

18. When must a petition be filed with a complete slate of candidates?

New political parties must file a complete slate of candidates for offices in the political subdivision or district from which they wish to run for office (10 ILCS 5/10-2). An established party or independent candidate may file a complete slate or they may file either a single candidate petition or a partial slate petition for the political subdivision or district.
(10 ILCS 5/7-2, 10-2)

19. If you are first in line or your petition is in the first mail pickup or delivery of the day, will you be first on the ballot?

Not necessarily. If two or more candidates are in line prior to the opening of the office, filing for the same party and office, they will be considered as filing simultaneously along with any petition in the first mail pickup or delivery on the first day of filing and will be eligible for a lottery to determine ballot position.

[10 ILCS 5/7-12(6), 8-9(2), 10-6.2]

STATE BOARD OF ELECTIONS – RULES AND REGULATIONS

(As codified under the Illinois Administrative Procedures Act)

Section 201.40

NOTE: Candidates who file petitions during the last hour of filing (between 4 PM and 5 PM) on the last day to file petitions are also eligible for a lottery to determine the final ballot position.

20. Must the notary of the petition be an Illinois notary, and may the notary also be a signatory on the petition?

Under the provisions of the Uniform Recognition of Acknowledgements Act:

“Notarial acts may be performed outside this State for use in this State with the same effect as if performed by a notary public of this State by the following persons authorized pursuant to the laws and regulations of other governments in addition to any other person authorized by the laws and regulations of this State:

(1) “A notary public authorized to perform notarial acts in the place in which the act is performed. ...”

(765 ILCS 30/2)

For additional information, contact the Index Department of the Secretary of State’s Office, 111 E. Monroe, Springfield, IL 62756-0001, Phone 217/782-7017.

It has not been definitively determined whether a notary may also be a signatory to a petition. Some electoral boards and Circuit Courts have upheld petitions where the notary was also a signer of the petition, but the issue has not yet been decided by the Supreme Court or any Appellate Court in Illinois. A cautious candidate might wish to avoid using a petition signer as the notary so as to avoid the risk of having to defend against an objection on this issue.

21. Is a lottery conducted for party placement on the ballot?

For the general election, a lottery is conducted by each election authority for all established parties to determine the proper order of party placement on the ballot. This lottery is held within 30 days following the proclamation of the results of the primary election. New parties are involved in a lottery when there is a simultaneous filing with the State Board of

Elections or the county clerk. The State Board of Elections conducts the lottery for new parties that file with it and conducts it in the Springfield office and the election authorities must list such parties on the ballot in the order that it appears on the official SBE certification. No party lottery is done for the primary election since each party has its own ballot, separate from any other established party.

22. In filing a petition to fill a vacancy in the office of Circuit Judge, must the petition contain the vacancy for which the candidate is filing?

Yes, for example, “To fill the vacancy of the Honorable John Jones.” The vacancy should be noted for the preceding elected judge, not the interim appointee.

23. Are judges running for retention required to file petitions?

No. Judges running for retention are required to file a Declaration of Candidacy for Retention with the Secretary of State on or before Sunday, May 6, 2018, preceding the expiration of their term of office.

[Illinois Constitution, Article VI, Section 12(d)]

24. Does a candidate have to file his or her own nomination papers?

No. The candidate or a representative of the candidate can file the candidate’s petitions.

25. May a candidate file his or her own petition and petitions for other candidates at the same time?

Yes.

26. May a candidate file for more than one office?

Yes, however, the candidate must withdraw from all but one office within five business days following the last day of petition filing, if the offices are incompatible. (The Office of the Attorney General has issued a number of opinions on incompatibility of offices. For questions concerning the same, contact the Opinions Division of the Attorney General’s office at 217/782-9070.)

The withdrawal notice must be in writing and notarized. If he/she does not withdraw, his/her name will not be certified for any office. Judicial candidates at the circuit court level are limited to filing a single petition for one circuit court vacancy and/or a single petition for one subcircuit vacancy in any filing period.

[10 ILCS 5/7-12(9)]

27. When may petitions be mailed?

There are no statutory requirements regarding a time element for mailing petitions. However, all petitions that are received in the office prior to the opening of the office on the first day of the filing period will be returned to the sender.

28. May a petition that has been filed be changed?

No. A petition once filed may not be added to or altered. However, the receipt(s) for filing Statements of Economic Interests may be filed at any time during the filing period.
(10 ILCS 5/7-10, 7-12)

29. Who can remove a signature from a nominating petition?

Only the circulator or the candidate on whose behalf the petition was circulated may strike a signature. However, an individual can submit a written request to the proper filing office to have his/her own name removed **before** the petition is filed.
(10 ILCS 5/7-10, 8-8 and 10-3)

30. When a candidate withdraws his nominating petition, are the petitions returned to the candidate?

No. The original documents are not returned, but remain in the office where they were filed. They must remain in the office for a period of at least six months.

31. When are petitions open to the public?

Upon their filing with the proper office. As a practical matter, there will be some delay in availability while the SBE or the Election Authority processes each petition. All certificates of nomination and nomination papers when presented or filed shall be open, under proper regulation, to public inspection, and the State Board of Elections and the several election authorities and local election officials having charge of nomination papers shall preserve the same in their respective offices not less than 6 months.
