Senate District 50

(Encompasses the entirety of Calhoun, Greene, Morgan, Pike, and Scott Counties, and partially within Jersey, Macoupin, Madison and Sangamon Counties):

Senate district 50 shall include that part of Illinois beginning at the northwest corner of Pike County, thence east and north along the Pike / Adams County border to the Brown County border, thence east along the Pike / Brown County border to the Morgan County border, thence north along the Morgan / Brown County border to the Cass County border, thence east along the Cass / Morgan County border to the Sangamon County border, thence north along the Sangamon / Cass County border to the Menard County border, thence east, north and east along the Menard / Sangamon County border to the intersection of Gabbert Rd and Brown Rd, thence continuing east along Gabbert Rd to Wildwood Acres Rd, thence north along Wildwood Acres Rd to the Illinois & Midland Rail line, thence southeast along the Illinois & Midland Rail line to the south border of Fancy Creek Twp, thence west along the Fancy Creek / Capital Twp border and continuing west along the Fancy Creek / Springfield Twp border to the abandoned rail line approximately 930 feet east of the northwest corner of Springfield Twp, thence generally south along the abandoned rail line to the west border of Springfield Twp, thence south along the Springfield / Gardner Twp border to Green Valley Rd, thence south along Green Valley Rd for approximately 120 feet, thence southwest approximately 65 feet to the abandoned rail line, thence south along the abandoned rail line to W. IL Rt 97, thence southeast along IL Rt 97 to the Capital Twp border where it intersects IL Rt 97 approximately 1000 feet west of Veterans Pky, thence south for approximately 550 feet, thence east for approximately 360 feet, thence northeast for approximately 200 feet, thence east for approximately 340 feet, thence north for approximately 225 feet to IL Rt 97 approximately 200 feet west of Veterans Pky, thence east along IL Rt 97 and continuing east along Jefferson St to Old Beardstown Rd, thence continuing east along Old Beardstown Rd to Churchill Rd, thence north along Churchill Rd to Jefferson St, thence east along Jefferson St to approximately 150 feet east of N. Van Meter St, thence north for approximately 390 feet, thence east for approximately 160 feet, thence south for approximately 40 feet, thence east for approximately 400 feet to the terminus of W. Enos Av, thence north along the Capital / Springfield Twp border for approximately 1800 feet, thence east for approximately 245 feet to the Capital / Springfield Twp border, thence southeast along the Capital / Springfield Twp border to N. Amos Av, thence south along N. Amos Av to W. Enos Av, thence east along W. Enos Av to N. Park Av, thence south along N. Park Av to approximately 100 feet north of W. Reynolds St, thence east for approximately 1680 feet to N. MacArthur Blvd,

thence south along N. MacArthur Blvd to W. Jefferson St,
thence southeast along W. Jefferson St to N. State St,
thence south along N. State St to Ruth Av,
thence west along Ruth Av to N. MacArthur Blvd,
thence south along N. MacArthur Blvd to W. Monroe St,
thence east along W. Monroe St to S. Glenwood Av,
thence south along S. Glenwood Av to W. Governor St,
thence east along W. Governor St to S. Walnut St,
thence south along S. Walnut St to W. Edwards St,
thence east along W. Edwards St to S. New St,
thence south along S. New St to W. Lawrence Av,
thence west along W. Lawrence Av to S. Walnut St,
thence south along S. Walnut St to W. Vine St,
thence east along W. Vine St to S. Henrietta St,
thence south along S. Henrietta St to S. Grand Av W,
thence east along ~~to~~ S. Grand Av W to S. Spring St,
thence north along S. Spring St to E. Scarritt St,
thence east along E. Scarritt St to S. 3rd St,
thence north along S. 3rd St to E. Canady St,
thence east and north along E. Canady St to E. Cass St,
thence east along E. Cass St to S. 6th St,
thence south along S. 6th St to E. Clay St,
thence east along E. Clay St and continuing east along E. Clay St (extended) to the Norfolk Southern rail line,
thence south along the Norfolk Southern rail line to the alley between S. 5th St and S. 6th St,
thence south along to the alley between S. 5th St and S. 6th St to E. Wellesly Av (extended),
thence east along E. Wellesly Av (extended), and continuing east along E. Wellesly Av to Yale Blvd,
thence south along Yale Blvd to E. Oberlin Av,
thence west along E. Oberlin Av to S. 10th St,
thence south along S. 10th St to E. Stanford Av,
thence east along E. Stanford Av for approximately 1850 feet,,
thence south for approximately 220 feet,
thence east for approximately 160 feet,
thence south for approximately 580 feet to E. Culver Av,
thence south along S. 14th St to Bruce St,
thence east along Bruce St to S. 14th St,
thence south along S. 14th St to Adlai Stevenson Dr,
thence east along Adlai Stevenson Dr for approximately 1730 feet,
thence south for approximately 50 feet,
thence east for approximately 1850 feet,
thence south for approximately 50 feet,
thence east for approximately 220 feet,
thence north for approximately 50 feet,
thence east for approximately 500 feet,
thence south for approximately 120 feet,
thence east for approximately 120 feet,
thence south for approximately 240 feet,
thence southeast for approximately 550 feet,

thence southwest for approximately 40 feet,
thence southeast for approximately 50 feet,
thence north for approximately 50 feet,
thence east for approximately 130 feet to E. Wilshire Rd,
thence south along E. Wilshire Rd for approximately 60 feet,
thence east for approximately 220 feet to W. Lake Shore Dr,
thence south along W. Lake Shore Dr to approximately 75 feet north of the Canadian National rail line,
thence east approximately 755 feet running parallel to the Canadian National rail line,
thence south approximately 50 feet to the Canadian National rail line,
thence east along the Canadian National rail line to I-55,
thence south along I-55 for approximately 600 feet,
thence east approximately 115 feet to the shoreline of Lake Springfield,
thence south through Lake Springfield to a point approximately 950 feet south of the northeast corner
of Section 2, T14N, R5W (3rd principal meridian),
thence southeast for approximately 175 feet to the Lake Springfield shoreline,
thence north and east along the Lake Springfield shoreline for approximately 3300 feet,
thence southwest for approximately 160 feet,
thence south for approximately 70 feet,
thence southwest for approximately 160 feet,
thence south for approximately 350 feet,
thence east for approximately 125 feet,
thence south for approximately 680 feet to E. Lake Shore Dr,
thence northeast for approximately 90 feet along E. Lake Shore Dr,
thence southeast for approximately 200 feet
thence northeast for approximately 100 feet,
thence northwest for approximately 200 feet,
thence along E. Lake Shore Dr for approximately 730 feet,
thence southeast for approximately 230 feet,
thence east for approximately 90 feet,
thence north for approximately 450 feet to E. Lake Shore Dr,
thence east for approximately 1650 feet to N. Pawnee Rd,
thence south along N. Pawnee Rd to Dickey Rd,
thence east along Dickey Rd and Dickey Rd (extended) to the Christian County border,
thence south along the Christian / Sangamon County border to the Montgomery County border,
thence west along the Montgomery / Sangamon County border, and continuing west along the
Macoupin / Sangamon County border to the northeast corner of North Otter Twp in Macoupin County,
thence south along the east borders of N. Otter Twp and S. Otter Twp to the southeast corner of S. Otter
Twp,
thence west along the south border of S. Otter Twp to the northeast corner of Bird Twp,
thence south along the east border of Bird Twp and continuing south along the east border of Polk Twp
to the southeast corner of Polk Twp,
thence west along the south borders of Polk and Chesterfield Twps to the Jersey County line,
thence south (Problem located between the Fidelity / Shipman Twp border) along the Jersey County
border to the north border of Madison County,
thence east along the Madison County border to the northeast corner of Section 5, T6N, R9W (3rd
principal meridian),
thence south along the east borders of Sections 5 and 8 and 17 T6N, R9W (3rd principal meridian) to
Seiler Rd,

thence south and west along Seiler Rd to the West Fork of Wood River,
thence south along the West Fork of Wood River to Tra-Lin Ridge,
thence southwest along Tra-Lin Ridge to Bockstruck Rd,
thence west along Bockstruck Rd to Seminary Rd,
thence north along Seminary Rd to Kercher Ln,
thence west approximately 3330 feet,
thence north approximately 45 feet,
thence east approximately 100 feet,
thence north approximately 1230 feet,
thence west approximately 120 feet,
thence north approximately 55 feet,
thence east approximately 100 feet,
thence north approximately 375 feet,
thence northwest approximately 185 feet,
thence west approximately 810 feet,
thence north approximately 90 feet,
thence west approximately 175 feet,
thence north approximately 315 feet,
thence west approximately 225 feet to Wenzel Rd,
thence south approximately 1200 feet along the Godfrey / Foster Twp line,
thence east approximately 500 feet,
thence south approximately 135 feet,
thence west approximately 500 feet back to the Godfrey / Foster Twp line,
thence south along the Godfrey / Foster Twp line the SW corner of NW ¼ section of Section 30, T6N,
R9W (3rd principal meridian),
thence east approximately 1400 feet,
thence south approximately 1400 feet,
thence west approximately 1300 feet,
thence northeast for approximately 390 feet to the intersection of Valleyview Dr and Richland Woods
Dr,
thence southwest along Richland Woods Dr to Humbert Rd,
thence northwest and west along Humbert Rd to Cinderella Dr,
thence south along Cinderella Dr to Candy Ln,
thence west along Candy Ln to Storeyland Dr,
thence north along Storeyland Dr to Humbert Rd,
thence west and north along Humbert Rd to Pearl St,
thence west along Pearl St to Godfrey Rd,
thence north along Godfrey Rd to Winter Ln
thence west along Winter Ln to Pierce Ln,
thence northwest along Pierce Ln to Airport Rd,
thence west along the north border of Section 21, T6N, R10W (3rd principal meridian) to the northeast
corner of Section 20, T6N, R10W (3rd principal meridian),
thence south along the east border of Section 20, T6N, R10W (3rd principal meridian) to Rocky Fork,
thence south, west and northwest along Rocky Fork to Piasa Creek,
thence north along Piasa Creek to the north border of Section 19, T6N, R10W (3rd principal meridian),
thence west along the north border of Section 19, T6N, R10W (3rd principal meridian) to the Elsay Twp
border in Jersey County,
thence north along the east Elsay Twp border to the northeast corner of Elsay Twp,

thence west along the north border of Elsay Twp to the northeast corner of Quarry Twp,
thence south along the east border of Quarry Twp to the Illinois / Missouri border (the Mississippi
River),
thence generally northwest along the Illinois / Missouri border to the point of beginning.
