Appeal of Civil Penalty Assessment
For Delinquently Filing a D-1 Statement of Organization

The Statement was received on January 20, 2011, 57 days late, resulting in an assessment of $1,425. This is the Committee's first assessment.

Vivian Funches, the Treasurer of the Committee, filed a Waiver of Appearance and an Appeal Affidavit in this matter.

On the Affidavit, Ms. Funches stated the Committee's originally filed D-1 identified the Committee as Citizens to Elect Jill Bush. An amended D-1, received on the same date, identified the Committee as Citizens for Jill Bush. A review of the Committee's Semi-Annual Report for the period ending December 31, 2010, identified October 8, 2010, as the date on which it can be confirmed the Committee crossed the $3,000 threshold for filing, and the assessment was calculated using that date. Ms. Funches said the Committee is intent on fully complying with the Act.

I recommend the appeal be denied for lack of an adequate defense. The minor name modification has no impact on the violation, and the Committee will have additional incentive now to fulfill its stated intent to file all Reports in a timely manner. If the Board accepts this recommendation, the fine would be stayed as the product of a first offense. As of March 31, 2011, the Committee's cash balance was reported as $764.12.

Dear Committee;

This letter is to inform you that this committee failed to file its' D-1 Statement of Organization during the requisite 10-day filing period.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-3 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on January 20, 2011, 57 day(s) late. As such, this committee has been assessed a fine of $1425.

Enclosed please find Section 10 ILCS 5/9-3 of the Election Code and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. **Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.**

Since this is a first time violation, the assessed civil penalty will be *stayed.* Please be advised that subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections. Therefore, you need not pay this assessed civil penalty unless another violation occurs. If you have questions regarding the appeal process, please call Jennifer Ronimous at 217-782-1543.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on January 23, 2011, 1 day late, resulting in a civil penalty assessment of $50. Additionally, the Committee had previously been assessed a $100 civil penalty (not appealed, stayed) for delinquently filing the Pre-Election Report for the 2010 General Election. The total assessment is $150.

Ryan Buckingham, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Buckingham states that the Committee attempted to file the Report electronically several times, but experienced problems installing the new version of the Board's electronic filing software. He says after consulting with IT support, the software was finally installed and the Report was filed.

Section 100.150(c)(5) of the Board's Rules and Regulations states, "*If a committee is assessed a civil penalty for delinquently filing a report required to be filed electronically and, in the course of its appeal, raises the defense that computer related issues (including, but not limited to, software, firewalls, system failures) prohibited the timely filing of an electronic report, the Board may consider that defense when determining the final outcome of the appeal.*" In order to be consistent with previous Board decisions where an electronic filing defense was raised, and since this Committee has not previously raised such a defense, I recommend the appeal be granted. If this recommendation is accepted by the Board, the original $100 civil penalty would again be stayed. (As of 3/31/11, this Committee reported a funds available balance of $5286.99.)

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment
For Delinquently Filing the December 2010 Semi-Annual Report

The Report was received on January 24, 2011, 2 days late, resulting in a civil penalty assessment of $200. The Committee was previously assessed $1050 (not appealed, stayed) for delinquently filing the June 2009 Semi-Annual Report.

Michael Sweeney, the Candidate and Chairman of the Committee, filed a Waiver of Appearance and an Appeal Affidavit in this matter.

On the Affidavit, Mr. Sweeney stated he began using a new computer prior to the electronic filing of the Report in question. He had trouble downloading the IDIS software and migrating his data, which led to the delinquent filing.

In keeping with past Board practice, I recommend the Committee be given a one-time waiver of the assessment because of electronic filing issues. Section 100.150 of the Rules accompanying the Act states, in part, "If a Committee is assessed a civil penalty for delinquently filing a Report required to be filed electronically and, in the course of its appeal, raises the defense that computer related issues (including, but not limited to, software, firewalls, system failures) prohibited the timely filing of an electronic Report, the Board may consider that defense when determining the final outcome of the appeal." If the Board accepts the recommendation, the stay on the assessment related to the delinquent June 2009 Semi-Annual Report would remain in place. As of March 31, 2011, the Committee reported a cash balance of $22,530.40.

Board of Elections Appeals,

When filing my semi-annual report for the Reporting period of July 1 – December 31 2010 I experienced technical difficulties. Prior to the filing deadline I started using a new computer and was having trouble downloading the Reporting software and transferring old files to the new computer. As a result, uploading my report took longer than expected and caused the report to be filed late. I appreciate your time and understanding on this matter and ask that you grant me this appeal and stay the assessed civil penalty.

Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on January 21, 2011, 1 day late, resulting in a civil penalty assessment of $25. Additionally, the Committee had previously been assessed a $200 civil penalty (not appealed, stayed) for delinquently filing the Pre-Election Report for the 2009 Consolidated Election. The total assessment is $225.

Judith L. Field, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Field states that the Report was delivered to the post office on Monday, January 17. She says the post office was closed for the Martin Luther King Jr. Day holiday, but she was confident the Report would be received by the Board on time.

The envelope containing the Report did receive a postmark, but it was illegible. Section 100.125(b) of the Board's Rules and Regulations states in part, "*...if the political committee is assessed a civil penalty for failing to file or delinquently filing the report and, as part of the committee's appeal of the civil penalty assessment, it is alleged by the treasurer, chairman or candidate on a signed and notarized affidavit verifying that the report was mailed more than 72 hours prior to the filing deadline, and this is the first time the committee has made this claim as part of its appeal, the presumptive date of receipt will be rebutted by the testimony contained in the affidavit and the report will be deemed to have been timely received.*" Since this is the first time the Committee has made such a sworn claim, I recommend the appeal be granted. If this recommendation is accepted by the Board, the prior $200 civil penalty would again be stayed. (As of 3/31/11, this Committee reported a funds available balance of $370.16.)

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment for Delinquently
Filing the 2010 December Semi-Annual Report

The 2010 December Semi-Annual Report was received by the Board on January 28, 2011, 6 days late, resulting in a civil penalty assessment of $450. In addition, this Committee had previously been assessed a $50 civil penalty (not appealed, paid) for delinquently filing the 2009 December Semi-Annual Report; and a $1,000 civil penalty (not appealed, reduced, paid) for delinquently filing a Schedule A-1 Report for the 2010 GP. The total assessment is $450.

Mr. Jeff Smith appeared for an appeal hearing conducted on May 3, 2011.

Mr. Smith stated he purchased a PC computer for the purpose to file the 2010 December Semi-Annual Report and attempted to download the new IDIS v 2.0 software for Windows XP. The software took four hours to download and install at which point several ambiguous errors appeared. Through a Power Point presentation Mr. Smith explained the issues displaying the screen shots of the installation process and the errors he received, which included a SQL Server Error. Mr. Smith tried to download and re-install the software several times, research and fix the errors on his own, during which the program became non-responsive. On January 21, 2011 he contacted the SBE and IT staff informed him that the computer he was using had insufficient RAM and the SQL server would not install. Mr. Smith estimates he spent 12 to 18 hours working with the software to find out he needed a newer PC in order to use the software. Without a budget to purchase a new computer, Mr. Smith found a copy of the IDIS v 1.2 and was able to file it using the old software.

The Committee demonstrated a sincere effort was made to file the report timely. Mr. Smith documented the installation errors and timely contacted Board Staff for assistance. Therefore, in order to be consistent with previous Board rulings where an electronic filing issue was raised as a defense, and since this is the first time the defense was raised when attempting to use IDIS 2.0, I recommend that the appeal be granted. It appears the Committee has resolved their errors with IDIS v 2.0 and has filed the Quarterly report timely. It is doubtful the Board would look favorably upon use of an electronic filing defense in the future.

Dear Friends of Jeff Smith;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	July 1, 2010 through December 31, 2010
Filing Period:	January 3, 2011 through January 20, 2011

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on January 28, 2011, 6 day(s) late. As such, this committee has been assessed a fine of $450.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

Committee, first being duly sworn deposes and states that he/she represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

I purchased a PC for the express purpose of filing this report and downloaded the software (3 hr+) and installed, but tho my OS was as specified in the SBE specs the RAM was insufficient (undocumented) and the SQL server would not install, thus preventing filing despite date being ready to file on the due date. See attached.

Had no budget for purchasing another computer. It took several days to find a workaround using old version of the IDIS software. Tardy filing was beyond our control and penalty far exceeds sums reported late.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing a Schedule A-1 for the 2010 General Election

The Committee received a $1,461.08 in-kind contribution on 10/4/10 and listed it on a Schedule A-1 received by the Board on 10/8/10, 2 days late. The total assessment is $1,461.08.

Greg Springer, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Springer states that the in-kind contribution in question was one of three received from the Democratic Party of Illinois for postage. The dates of those contributions were 10/4/10, 10/5/10 and 10/6/10, and the Committee did not receive the in-kind contribution notification form listing all three until after the third contribution was made on 10/6/10. He says the Committee then filed all three contributions on the same Schedule A-1, on 10/8/10. Mr. Springer includes a copy of the notification form received by the Committee.

I recommend the appeal be granted. The only mistake made by the Committee in reporting the in-kind contributions was to use the dates on the notification form, rather than the date the Committee actually received that notification from the contributor. (As of 12/31/10, this Committee reported a funds available balance of $0.)

Dear Friends of Charles Landers;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Democrat Party of Illinois	10/4/2010	$1461.08	$1461.08	10/8/2010	2

The committee is fined a **total** of $1461.08.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $147.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. Since your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the date of this assessment for it to be considered.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on February 10, 2011, 15 days late, resulting in a civil penalty assessment of $375.

Linda Fordham, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Fordham states that she had difficulties preparing and electronically filing the Report, in part as a result of the need for her to upgrade to the newer version of the Board's electronic filing software. She indicates that she had to contact Board staff several times to download and install the software, correct an error in her data entry and file the actual Report. Ms. Fordham adds that she was only able to work an hour or two each day due to illness and rheumatoid arthritis.

Section 100.150 of the Board's Rules and Regulations allows a committee to raise a defense based on computer related issues, but only if the Report is required to be filed electronically. Although this Committee has filed its Reports electronically for many years, it is not required to do so. This Report could have been filed on paper or using the old version of the Board's software and in any case, it should not have taken three weeks past the filing deadline to file what is essentially a brief report. I recommend the appeal be denied. As a first offense, the penalty is stayed. (As of 3/31/11, this Committee reported a funds available balance of $431.97.)

He said that I needed to download that program, but there was a error in the new program. He would let me know when to download it. I did as he asked. During the download I had trouble and couldn't complete it. I called again and he asked if I had deleted the old program. Of course I hadn't! He assisted in deleting and completing the download. I then filed the report. During this time I was only able to work an hour or two each day due to illness and Rheumatoid Arthritis.

Appeal of Civil Penalty Assessment for Delinquently
Filing the 2009 December Semi-Annual Report and
Failure to File Schedule A-1 Reports for the 2010 General Election

The 2009 December Semi-Annual Report was received by the Board on December 30, 2010, 234 days late, resulting in a civil penalty assessment of $5,000. The Committee received 20 contributions of more than $500 thirty days prior to the 2010 GE but failed to list them on Schedule A-1s resulting in a civil penalty assessment of $30,250.

In addition, this Committee had previously been assessed a $ 350 civil penalty (not appealed, reduced, paid) for delinquently filing the 1999 December Semi-Annual Report; a $1,200 civil penalty (not appealed, paid) for delinquently filing the 2000 GE Pre-Election Report; a $1,100 civil penalty (not appealed, reduced, paid) for delinquently filing a Schedule A-1 for the 2000 GE; a $1,000 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $500 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $500 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $1,000 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $26,050 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $500 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2002 GP; a $1,000 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2003 CE; a $500 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2003 CE; a $1,000 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2003 CE; a $1,000 civil penalty (not appealed, reduced, paid) for failure to file a Schedule A-1 for the 2003 CE; a $100 civil penalty (not appealed, reduced) for delinquently filing the 2004 December Semi-Annual Report; a $200 civil penalty (not appealed, paid) for delinquently filing the 2006 June Semi-Annual Report; a $1,600 civil penalty (not appealed, paid) for delinquently filing the 2007 December Semi-Annual Report; a $1,600 (not appealed, paid) for delinquently filing the 2008 June Semi-Annual Report; and a $600 civil penalty (not appealed, paid) for delinquently filing the 2010 June Semi-Annual Report. The total assessment is $35,250.

Ms. Doville Soblinskas appeared for appeal hearing conducted on May 3, 2011.

Citizens for Lightford has been required to file campaign disclosure reports electronically since 2003. A letter was sent on February 1, 2010 notifying the Committee it had 30 days to file the report electronically otherwise the paper report would be considered a non-filing. The Committee missed this 30-day electronic filing deadline.

Regarding the delinquent 2009 December Semi-Annual Report, Ms. Soblinskas submitted a letter of defense from Senator Kimberly Lightford stating she was unaware that her Committee was ineligible to file on paper. Unable to find a knowledgeable person to handle the committee's filings, Ms. Lightford states she received staff assistance and was told she could file the report by fax. In April she was informed the filing was not in compliance and had challenges seeking a qualified person to handle the campaign account. Ms. Soblinskas indicated the Committee's former treasurer stole campaign funds and kept poor records. Ms. Lightford had to piece back together the financial records and in December 2010, enlisted the help of Ms. Soblinskas to file the reports electronically.

The Committee was also assessed for the failure to file 20 Schedule A-1 reports, nineteen receipts in excess of $500 were received on 11/1/10 and one $1,000 contribution from Comcast received on 10/22/10. Ms. Soblinskas stated the receipt from Comcast on 10/22/10 was a typo and actually received on 11/1/10 and will amend the report to reflect the correct date. Ms. Soblinskas indicated the Committee misunderstood the filing deadline for Schedule A-1 Reports. She interpreted the rules to mean that contributions received on 11/1/10 did not have to be reported because the deadline for the A-1 to be filed would be 11/3/10, one day after the 2010 General Election. In other words, she believed those contributions received 11/1/10 were considered out of the reporting period and did not qualify to be listed on a separate Schedule A-1 Report.

I recommend the appeal regarding the delinquent filed Pre-Election Report be denied for lack of an adequate defense and the Committee assessed a $5,000 civil penalty. In the matter of the failure to file Schedule A-1 Reports I also recommend the appeal be denied for lack of an adequate defense. However, since this as an unintentional violation and the Committee's first Schedule A-1 offense, I recommend only 10% of the civil penalty be assessed, reducing the fine to $3,025. If these recommendations are accepted by the Board, a civil penalty of $8,025 will be due and owing. (As of 3/31/11 this Committee reported a funds available balance of $8,794.38.)

The committee is fined a **total** of $30,250 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $3,025, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on January 21, 2011, 1 day late, resulting in a civil penalty assessment of $25.

Marcy Hood, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Hood states that prior to the Report filing, she called the Board to ask when the form had to be mailed. She contends that staff told her the Report only had to be postmarked by the due date on the form.

Section 100.125 of the Board's Rules and Regulations states in part, *"...pursuant to Section 9-10(b) and (c) of the Election Code, if the envelope containing the reports contains a postmark showing that the envelope was mailed at least 72 hours prior to the due date, the reports shall be considered timely filed, regardless of when received in the office of the State Board of Elections."* The Report was postmarked on January 19, and was therefore late. Furthermore, while it is possible Ms. Hood misunderstood what she was told, I do not find it plausible that Board staff would have indicated the Report would be timely as long as it was postmarked by the due date. I recommend the appeal be denied for lack of an adequate defense. As a first violation, the penalty is stayed. (As of 3/31/11, this Committee reported a funds available balance of $0.)

Dear Committee to Elect Justin Hood;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	July 1, 2010 through December 31, 2010
Filing Period:	January 3, 2011 through January 20, 2011

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on January 21, 2011, 1 day(s) late. As such, this committee has been assessed a fine of $25.00.

Enclosed please find Section 125.425 *Civil Penalty Assessments* and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

Since this is a first time violation, the assessed civil penalty will be ***stayed***. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. **Therefore, you need not pay this assessed civil penalty unless another violation occurs**.

If you have questions regarding the appeal process, please call Jennifer Ronimous at 217-782-1543.

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on February 7, 2011, 12 days late, resulting in a civil penalty assessment of $600.

Carol Clark, the Chairman of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Clark states that a death in the family of the person who files the Committee's reports initially resulted in the late filing. She says additionally, that person had a problem with electronic filing because their computer was not compatible for downloading the newest version of the Board's electronic filing software. Ms. Clark adds that a snowstorm resulted in an additional delay, because it prevented her from obtaining documents needed for the Report.

Although Ms. Clark was diligent in keeping Board staff apprised of delays in the filing of the Committee's Report, I must recommend the appeal be denied for lack of an adequate defense. None of the explanations for the filing delays rises to the level of an excuse for a late filing. Additionally, an electronic filing defense is not applicable in this instance, because the Committee is not required to file its reports electronically. As a first violation, the penalty is stayed. (As of 3/31/11, this Committee reported a funds available balance of $5809.54.)

MY COMMISSION EXPIRES
JANUARY 11, 2014

On 1/26/2011 I received notice that your office had not yet received the Semi-Annual Report for 7/1/2010 through 12/31/2010 for my election campaign committee. The day I received the notice, I called your offices and spoke to Mr. Tom Newman. I advised that there was a death in the family of the party that files my reports and they had been unable to get them filed. I also learned that they had a problem with the electronic filing due to changes within the State Board of Elections updates from IDIS 1.2 conversion to IDIS 2.0. There computer was not compatible to download the new version.

I called Mr. Newman again on 1/29/2011 and left a message explaining that there was going to be an additional delay as all filing materials were unavailable to me at present. I thought I would be able to get the documents over the weekend and get them in the mail by the first of the following week. Unfortunately, that was not the case.

When I was unable to get them mailed as I thought I might, I again called Mr. Newman and left a message advising that I would not be able to obtain the documents until later in the week. We had severe weather (snowstorm) that week which prevented me from getting them mid-week.

In the messages that I left for Mr. Newman, I requested that he contact me if these additional delays were going to cause a problem.

I was finally able to get the documents by weeks end and get them posted in the mail at the time.

I understand that since this was a first time violation that the assessed civil penalty will be stayed.

I would like consideration in having the penalty removed.

Thank you for your time regarding this matter.

Appeal of Civil Penalty Assessment
For Delinquently Filing the 2010 December Semi-Annual Report

The Report was received by the Board on February 8, 2011, 13 days late, resulting in a civil penalty assessment of $325.

Sally Wiggins, the Candidate of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Wiggins states that the delay in filing the Report resulted from the death of Linda Glover, the Candidate's aunt and the mother of the Committee Chairwoman. Ms. Glover died on November 22, 2010, and Ms. Wiggins says grieving such a significant loss, particularly around the holiday season resulted in it taking extra time to compile the information needed for the Report.

I recommend the appeal be denied for lack of an adequate defense. While I am sympathetic to the situation encountered by the Candidate and Committee, there should have been sufficient time to prepare and file the report prior to the January 20, 2011 deadline. If this recommendation is accepted by the Board, the $325 civil penalty would be stayed. Additionally, since the Committee has filed a Final Report, I further recommend that should the Committee remain dissolved for a period of two years following the date of the Final Order imposing the penalty, the fine be abated. (As of 12/31/10, this Committee reported a funds available balance of $0.)

Committee, first being duly sworn deposes and states that he/she represents that the said committee can offer a good reason or defense to the assessment of a civil penalty in this matter, and that such reasons and defenses are:

The Committee to Elect Sally "Oeffling" Wiggins respectfully seeks that the $325.00 fine imposed by the Board of Elections on March 9, 2011 be removed.

The committee is comprised of Candidate Sally Wiggins, Kristin Glover and Stacey Balcerak. A very important and involved supporter of the Committee was the now deceased Linda Glover, formerly of Island Lake, IL, (photo) Aunt to the Candidate and Mother of Committee Member, Kristin Glover.

On November 22, 2011, Linda Glover passed unexpectedly (Death Certificate Attached). The delay in getting the report on file in a timely manner was a result of grieving such a significant loss, navigating the subsequent Holidays following the death while compiling the information needed to complete the required report in a timely fashion and resulting in a 13 day delay.

The Committee contacted the Board seeking an extension, but was advised no extensions were available. As such, the report was compiled and filed at the earliest possible date. For these reasons, the Committee respectfully asks that the fine be removed.

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment for Delinquently
Filing the 2010 GE Pre-Election Report and
Failure to File Schedule A-1 Reports for the 2010 General Primary Election

The 2010 GE Pre-Election Report was received by the Board on December 23, 11 days late, resulting in a civil penalty assessment of $2,200. The Committee received one contribution of $913.73 on 10/12/10 but failed to list it on a Schedule A-1 resulting in a civil penalty assessment of $913.73. The total assessment is $3,113.73.

Mr. Ron Marx appeared for appeal hearing conducted on May 4, 2011.

Friends of Ron Marx exceeded $10,000 in campaign funds during the 2010 GE Pre-Election Reporting period. A letter was sent on October 26, 2010 notifying the Committee it had 30 days to file the report electronically otherwise the paper report would be considered a non-filing. The Committee missed this 30-day electronic filing deadline.

Mr. Marx stated he was a first time candidate in the 2010 GP and GE election. He ran a small, volunteer supported campaign as a candidate for Grundy County Sheriff. Mr. Marx indicated the campaign was unprepared with the immediate response from supporters and the organizers did the best they could to keep up with the demands of the county wide campaign. Mr. Marx was unfamiliar with the electronic filing process and after receiving the notice for the failure to electronically file the Pre-Election Report he contacted Grundy County GOP Chairman John Hanson for assistance. Mr. Hanson's law firm did some work on the report but was unable to finish the filing. In December 2010, Mr. Marx enlisted the help of George Wilhelmsen, a person in the community knowledgeable in campaign finance reporting. Mr. Marx explains because the Committee was managed by volunteers most of whom worked full time jobs, campaign records were not well kept or organized. From October to December, Mr. Marx and the Treasurer had to track down individuals and receipts from several different volunteers to compile the disclosure data to produce a complete and accurate report. Mr. Marx stated in December he worked with Mr.Wilhelmsen who instructed him on what information was required, specifically pertaining to campaign disclosure law and IDIS, to complete the report. In support of his claim, he produced a packet of e-mails detailing the communication he had with Mr. Wilhelmsen. In reference to the Schedule A-1, Mr. Marx stated he was told by the Treasurer the report was filed and he assumed it was done. The Committee filed a final report on February 26, 2011.

I understand the candidate's inexperience running as a first time candidate and the challenges of operating a county wide campaign. However, at the time of this filing, it was the Committee's responsibility to maintain a record of all transactions in excess of $20. Had the Committee officers kept better records it would have been able to timely file an electronic report. Therefore, I recommend the appeal for the delinquent filing of the 2010 GE Pre-Election Report be denied for lack of an adequate defense, and the committee assessed a civil penalty in the amount of $2,200. In the matter of the failure to file the Schedule A-1, I also recommend the appeal be denied for lack of an adequate defense. However, since this as an unintentional violation and the Committee's first Schedule A-1 offense, I recommend only 10% of the civil penalty be assessed, reducing the fine to $92. If these recommendations are accepted by the Board, a civil penalty of $2,292 will be due and owing. Since this Committee has filed a Final Report, I further recommend that should the Committee remain dissolved for a period of 2 years following the date of the Final Order imposing the penalty, the fine shall be abated. (As of 2/26/11 this committee reported a funds available balance of $0.)

Dear Friends of Ron Marx;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Pre-Election Report of Campaign Contributions
Report Period:	July 1, 2010 through October 3, 2010
Filing Period:	October 4, 2010 through October 18, 2010

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on December 23, 2010, 11 day(s) late. As such, this committee has been assessed a fine of $2200.

In addition, this committee failed to file the following documents during the requisite filing period:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
JoAnne Gretencord	10/12/2010	$913.73	$913.73	10/18/2010	9

The committee is fined a **total** of $913.73 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $92.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

If you have any questions regarding the appeal process, please call Jennifer Ronimous at 217-782-1543.

Sincerely,

Sharon Steward, Director

REPORT OF HEARING OFFICER
Appeal of Civil Penalty Assessment for Delinquently Filing
the Pre-Election Report for the 2010 General Election

The Report was received by the Board on October 25, 2010, 5 days late, resulting in a civil penalty assessment of $500. Additionally, the Committee had previously been assessed a $50 civil penalty (not appealed, unpaid) for delinquently filing the 2010 June Semi-Annual Report, and a $100 civil penalty (not appealed, paid) for delinquently filing the 2010 December Semi-Annual Report. The total assessment is $550.

Denise Winfrey, the Chairman of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Winfrey states that the Report was postmarked by the end date of the filing period. She includes a copy of the receipt she received, showing a Semi-Annual Report and Statement of Organization received by the Board on 7/22/10.

The attached receipt deals with the June 2010 Semi-Annual Report, not the Pre-Election Report. I phoned Ms. Winfrey to see if she could provide a defense or evidence regarding the late filing at issue here, but she was unable to do so. I therefore recommend the appeal be denied for lack of an adequate defense. If this recommendation is accepted by the Board, the $550 civil penalty will be due and owing. (As of 3/31/11, this Committee reported a funds available balance of $4.44.)

REPORT OF HEARING OFFICER

Appeal of Civil Penalty Assessment for Delinquently Filing the 2010 December Semi-Annual Report and a Schedule A-1 for the 2010 General Election

The Semi-Annual Report was received by the Board on January 25, 2011, 3 days late, resulting in a civil penalty assessment of $75. Additionally, the Committee received a $692.69 in-kind contribution on 10/18/10 and reported it on a Schedule A-1 received by the Board on 10/26/11, 4 days late. The total assessment is $767.69.

Linda George, the Treasurer of the Committee, filed a Waiver of Appearance, and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. George states that she attempted to fax the Schedule A-1 on 10/20/10, two days after receiving the in-kind contribution, and she thought at the time that the Report had been received by the Board. When she went to file another A-1 on 10/26/10 she discovered that the first A-1 had never been received, so she re-filed it at that time. Ms. George notes that she did act in good faith in trying to report the contribution within the required two business days. As for the Semi-Annual Report, Ms. George admits that she waited until the last day of the filing period to attempt to file the Report electronically. Unfortunately, she did not realize she would need a filing account and password until after the Board offices had closed, so she was unable to complete the filing in a timely fashion.

Although faxing is an acceptable reporting method for a Schedule A-1, it is the Committee's responsibility to make sure the filing is actually received by the Board. I therefore recommend the appeal be denied in regards to the A-1 filing. However, since there is no indication the violation was anything other than inadvertent and unintentional, I further recommend the penalty be reduced to 10% of the original assessment, or $70. In regards to the late Semi-Annual Report filing, I also recommend the appeal be denied. Waiting until the last minute is often risky behavior, and had the Committee attempted to file the Report earlier it would have been able to address the password issue before the filing deadline. It should also be noted that even after learning of the password requirement, the Committee still did not complete the filing for several days. If these recommendations are accepted by the Board, the total civil penalty of $145 will be due and owing. (As of 3/31/11, this Committee reported a funds available balance of $167.34.)

Dear Friends of David L George;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	July 1, 2010 through December 31, 2010
Filing Period:	January 3, 2011 through January 20, 2011

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on January 25, 2011, 3 day(s) late. As such, this committee has been assessed a fine of $75.

In addition, this committee failed to file the following documents during the requisite filing period:

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Madison County Republican Central Cmte	10/18/2010	$692.69	$692.69	10/25/2010	4

The committee is fined a **total** of $692.69 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $70, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. ***Notice of Appeal must be filed within 30 days of the date of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.***

MY COMMISSION EXPIRES 04/28/14

April 6, 2011

My husband, David L. George, ran for office for the first time this past November. I agreed to be his treasurer and immediately tried to learn all of the State Board of Elections campaign disclosure laws. Once the committee raised $3000, we officially formed the committee, Friends of David L. George, and faxed in the D1 report on October 10, 2010.

On October 18, 2010, we received an in-kind contribution from the Madison County Republican Central Committee in the amount of $692.00 to pay for a mailer. On October 20, 2010, I faxed the A1 report indicating the in-kind contribution. The fax machine at my financial advisor's office indicated that the fax was "received" by your office. On October 26, 2010, our committee received a contribution in the amount of $700.00 from the Madison County Republican Central Committee. When I filed the A1 report for this contribution received, I checked the State Board of Elections website and noticed that the previous A1 report from October 18, 2010 was not showing up on the site. I contacted your office and was notified that it was never received. I immediately faxed it again, along with the original fax cover sheet. I'm not sure as to why it wasn't received the first time. However, I did act in good faith in trying to accurately report the contribution within the 2 business day window upon receiving it.

The second violation occurred when our committee failed to file the D2 semiannual report on the Thursday, January 20, 2011 due date. I had spoken with other campaign treasurers who were filing their reports online and spoke of how easy it was. I downloaded the software from the State Board of Elections website. However, when I went to file the report, I found that a password was needed. It was after hours and I was unable to obtain a filer ID and password from the State Board of Elections. I take full responsibility for this, as I should have not waited until the last day to file.

My husband, David L. George, has decided not to run for office again. And, to avoid any future confusions or violations, we have decided to close his committee. I apologize for any violations that may have occurred during our committee's brief time in existence. We were just two retired people who decided to try to get involved in our community, and didn't realize there were so many complicated reporting rules that came along with running for office. We would appreciate any mercy or consideration from the board as we appeal the fines.

Sincerely,

Linda K George

Appeal of Civil Penalty Assessments
For Delinquently Filing a D-1 Statement of Organization and the December 2010 Semi-Annual Report

The D-1 was received on January 11, 2011, 47 days late, resulting in an assessment of $1,175. The December 2010 Semi-Annual Report was received January 21, 2011, 1 day late, resulting in an assessment of $25. These are the Committee's first two fines.

Laura Best, the Chairwoman of the Committee, filed Waivers of Appearance and Appeal Affidavits in these matters.

On the Affidavits, Ms. Best stated the Committee was unaware of any filing requirements until early January, 2011, and promptly filed the D-1 Statement of Organization. Upon becoming aware of the fact a Semi-Annual Report was due by January 20, 2011, the Committee mailed the Report on January 19, 2011. She mistakenly believed a postmark one day in advance of the filing deadline would be considered sufficient proof of a timely filing. She also noted the Committee has been primarily funded by the Candidate.

I recommend the appeals be denied for lack of an adequate defense. If the Board accepts these recommendations, a total of $1200.00 would be due and owing. As of March 31, 2011, the Committee's cash balance was reported as $100.00.

APPEAL AFFIDAVIT

We hereby protest the assessment of penalties for late filing of disclosure forms. We were unaware of any filing requirements until we were told by someone in early January, 2011. At that time, we immediately filed the Form D-1 (Statement of Organization) and mailed it on January 11, 2011. Of the $5,396 contributed to the candidate's campaign, all but $450 were contributed personally by the candidate.

We then became aware that another semi-annual report was due on January 20, 2011. We then obtained a copy of Form D-2 (Annual Report of Contributions and Expenditures) and completed the report. That report was mailed on January 19, 2011. The mailing date was confirmed by the State Board of Election via telephone, noting that the report was received on January 21, 2011. It is our belief that since the report was postmarked before the filing date that we had complied with all filing requirements. Although the report was received on January 21, 2011, we felt a postmark before that date was sufficient proof of timely filing. We were informed by the State Board of Election that they do not consider a report received after the filing date timely filed, unless it is postmarked 72 hours before the due date. We were unaware of this requirement.

We feel that since we quickly complied with all filing requirements upon knowledge of such requirements, that to be penalized because of a 72 hour rule, which we had no knowledge of, is inequitable. Further, all but $450 that was received by and expended on the campaign was contributed by the candidate himself. The two late filings were not due to disregard of the law but by being unaware of disclosure law.

HEARING EXAMINER'S REPORT AND RECOMMENDED DECISION

Introduction

A closing preliminary hearing was conducted in this matter which resulted in an order issued by State Board of Elections Chairman Bryan A. Schneider dated March 22, 2011. In the order, the Board found that the complaint was filed on justifiable grounds and that a public hearing was to be conducted. The matter was assigned to this Hearing Officer and a public hearing was held, beginning on March 29, 2011. The Complainant was represented by attorney Richard Means and Respondents were represented by attorney John Fogarty. Attorney Adam Lasker also entered an appearance on behalf of the Respondents but was not present at the hearings.

Background

Two written mailers were prepared and distributed in the Village of Barrington Hills. The mailers did not have the required language regarding solicitations and did not have the required attribution language required under Section 9-9.5. One of the mailers was signed by Dan Lundmark and Rosene. At the time the mailer was sent out, Dan Lundmark was the co-chair of Save 5 Acres. John Rosene was the husband of the treasurer of the committee at that time.

Violations alleged by the Complainant

It is the complainants' contention that the failure of the mailers to have the required solicitation language constitutes a violation of Section 9-9 of the Election Code. It is complainant's further contention that the failure of the mailers to have the required attribution language constitutes a violation of Section 9-9.5 of the Election Code.

APPLICABLE STATUTES

The complaint alleges that Respondents violated Sections 9-9 and 9-9.5 of the Election Code.

Section 9-9 provides as follows:

> Sec. 9-9. Any political committee shall include on all literature and advertisements soliciting funds the following notice:
> A copy of our report filed with the State Board of Elections is (or will be) available on the Board's official website (insert the current website address) or for purchase from the State Board of Elections, Springfield, Illinois."
> Source: P.A. 96-832, eff. 1-1-11.)

Section 9-9.5 provides, in pertinent part, as follows:

> Sec. 9-9.5. Disclosures in political communications.
> a) Any political committee, organized under the Election Code, that makes an expenditure for a pamphlet, circular, handbill, Internet or telephone communication, radio, television, or print advertisement, or other communication directed at voters and mentioning the name of a candidate in the next upcoming election shall ensure that the name of the political committee paying for any part of the communication, including, but not limited to, its preparation and distribution, is identified clearly within the communication as the payor. This subsection does not apply to items that are too small to contain the required disclosure. Nothing in this subsection shall require disclosure on any telephone communication using random sampling or other scientific survey methods to gauge public opinion for or against any candidate or question of public policy.
> Whenever any vendor or other person provides any of the services listed in this subsection, other than any telephone communication using random sampling or other scientific survey methods to gauge public opinion for or against any candidate or question of public policy, the vendor or person shall keep and maintain records showing the name and address of the person who purchased or requested the services and the amount paid for the services. The records required by this subsection shall be kept for a period of one year after the date upon which payment was received for the services.
> (b) Any political committee, organized under this Code, that makes an expenditure for a pamphlet, circular, handbill, Internet or telephone communication, radio, television, or print advertisement, or other communication directed at voters and (i) mentioning the name of a candidate in the next upcoming election, without that candidate's permission, or (ii) advocating for or against a public policy position

shall ensure that the name of the political committee paying for any part of the communication, including, but not limited to, its preparation and distribution, is identified clearly within the communication…

(Source: P.A. 94-645, eff. 8-22-05; 94-1000, eff. 7-3-06; 95-699, eff. 11-9-07.)

Respondent's Position

Don Lundmark was the co-chair of the committee for a limited period of time and verbally resigned in early February. John Rosene was not, at any time, an officer of the committee but was married to an officer of the committee. Respondent's counsel nonetheless conceded that confusion regarding the status of both Rosene and Lundmark was possible in the eyes of the public and that it would be reasonable to infer that they were officers of the committee or acting on behalf of the committee at the time the mailers went to print.

DISCUSSION

There is no question that the mailers did not contain the required language under Sections 9-9 or 9-9.5. Additionally, the Respondent's counsel conceded that it would be reasonable to infer that the mailers were prepared by or on behalf of Respondent Committee Save 5 Acres. Therefore, there is no question that there has been a violation of both Section 9-9 and 9-9.5 of the Election Code.

RECOMMENDATION

For the foregoing reasons, it is my recommendation that the State Board of Elections find that the Committee violated Sections 9-9 and 9-9.5 of the Election Code. It is my further recommendation that the Board direct the committee to comply with all reporting requirements in the future and notify the Respondent that failure to comply with a Board Order will subject the Respondent to a civil penalty not to exceed $5,000.

HEARING EXAMINER'S REPORT AND RECOMMENDED DECISION

Introduction

A closing preliminary hearing was conducted in this matter which resulted in an order issued by State Board of Elections' Chairman Bryan A. Schneider dated March 22, 2011. In the order, the Board found that the complaint was filed on justifiable grounds and that a public hearing was to be conducted. The matter was assigned to this Hearing Officer and a public hearing was held, beginning on March 29, 2011. The Complainant was represented by attorney Richard Means and Respondents were represented by attorney John Fogarty. Attorney Adam Lasker also entered an appearance on behalf of the Respondents but was not present at the hearings.

Background

On or around February 10, 2011, Dr. Benjamin LeCompte III of Barrington Hills issued three individual checks in the amount of $5,000 each to candidates Patty Meroni, Karen Selman and Joe Messer. (Complainant's Group Ex. 1). All of these candidates

were running as village trustee candidates in the village of Barrington Hills. Each of the candidates was running as independent candidates but were aligned with Save 5 Acres and identified as candidates supported by the committee. After receipt of the checks, each of the three candidates endorsed their checks over to the Save 5 Acres Committee and the checks were deposited into the Committee's account. (Complainant's Group Ex. 1) The checks were reflected on the Committee's Schedule A-1 as contributions from the candidates rather than from Dr. LeCompte. (Complainant's Group Ex. 2 and Ex. 3). At the time the funds were received, the committee was formed as a candidate committee.

Thereafter, amid what appears to be significant confusion over what type of committee was the correct form, subsequent amended D-1 statements were filed. (Complainant's Group Ex. 7). The amendments include a January 4, 2011 amendment which changed the committee to a Political Party Committee supporting candidates Patty Meroni, Karen Selman, Joseph Messer, and Dawn Davis. On March 1, 2011, an amendment was filed changing the committee to a PAC. On March 11, 2011, an amendment was filed changing the committee back to a Political Party Committee without the name of Dawn Davis as a candidate being supported by the committee. Additionally, on March 17, 2011, each of the candidates who had received the $5,000 checks from Dr. LeCompte, Patty Meroni, Karen Selman and Joe Messer each filed individual D-1 statements and included the receipt of the $5,000 check from Dr. LeCompte as well as the transfer to the Respondent Committee. Thereafter, the committee refunded the entire $15,000 to Dr. LeCompte. (Complainant's Ex. 4). After the $15,000 was refunded to Dr. LeCompte, Complainant sought to amend his complaint to address the reporting of the refunded $15,000. It was determined by this Hearing Officer that the reporting of the refunded money was beyond the scope of this hearing. (Complainant's Ex. 6).

Violations alleged by the Complainant

It is the complainant's contention that the receipt of the individual $5,000 checks by the candidates and their subsequent deposit into the Respondent committee without an indication that Dr. LeCompte was the true source of the funds constituted a violation of Section 9-25 of the Election Code. Specifically, complainant alleges that by making contributions to the candidates and reflecting the source of the contributions as the candidates, the identity of Dr. LeCompte was never disclosed. Therefore, according to the Complainant, the contributions were from an anonymous source. Complainant further alleges that the contributions from Dr. LeCompte exceeded the limits from a single donor as set forth in Section 9-8.5 of the Election Code. Finally, Complainant alleges that the failure to disclose Dr. LeCompte as the true contributor was intentional and constituted a willful filing of false information in violation of Section 9-26 of the Election Code.[1] According to Complainant, the Respondents knew the true source of the funds and chose to inaccurately reflect the source as the candidates so as to "launder" the funds. Finally, complainant alleges that any subsequent action to correct the violations did not change the fact that the violation occurred in the first instance.

Several witnesses were called by the Complainant in support of his complaint. Among the witnesses was the donor of the checks, Dr. Benjamin B. LeCompte, III. Dr. LeCompte testified that he donated to the individual candidates because he preferred to support the candidates as individuals and not as a political party. (Tr. 3/29/11, p. 52). In addition to giving Patty Meroni, Joe Messer and Karen Selman $5,000 contributions, he also gave a candidate by the name of Joseph Steiper who was not aligned by the others a $5,000 contribution. Dr. LeCompte testified that he did not intend to circumvent the reporting process. It was also Dr. LeCompte's understanding that at the time he gave the donations, the committee had become a political party committee and that he

[1] Complainant attempted to introduce as Complainant's Exhibit 5, correspondence between the attorney for Barrington Hills and Dr. LeCompte's attorney regarding a zoning matter to establish that there was a reason Dr. LeCompte made the contributions and a reason for the source of the contributions to be hidden. The issue as to whether Dr. LeCompte had disagreements or legal proceedings with various village officials who were not party to the instant matter was beyond the scope of the hearing and outside the jurisdiction of this Board. Therefore, Complainant's Exhibit 5 was not admitted into evidence.

and his wife could have each given $7,500 to the committee but he chose not to do so because it was his desire to donate to individual candidates. (Tr. 3/29/11 p. 58). Dr. LeCompte also testified that $15,000 was returned to him by the committee.

Also called to testify was Casey Justice. Ms. Justice testified that she was employed by Save 5 Acres in January 2011 to create mailers, fliers and advertisements and to "corral" volunteers. Ms. Justice identified the person who prepared the campaign disclosure documents of the committee as Patty Boni. As a reminder when preparing the A-1 reports, Ms. Justice put a pink sticky note on the wall that advised Ms. Boni that any donation of $1,000 of more must be report with 24hours. Ms. Justice also testified that she showed Ms. Boni how to use the IDIS system. Finally Ms. Justice testified that she spoke with Mr. Meyer, a campaign disclosure staff person with the State Board of Elections, to confirm that they were filing their A-1s correctly and he advised her that the committee should become a PAC. However, she had no specific knowledge of the three donations at issue in this matter, until the complaint was filed.

Next to testify was Steven Knoop, a financial advisor and an active member of the community, who offered to talk with Dr. LeCompte regarding a donation. He and candidate Karen Selman went to Dr. LeCompte's house and received the checks. Mr. Knoop suggested that he write the checks directly to the candidates because Dr. LeCompte had a "sensitivity" to the Save 5 Acres moniker. He then turned the checks over to candidate Patty Meroni at a candidate's coffee. He played no part in the manner in which the contributions were reported.

Candidate Joseph Messer was also called to testify. When he received the check from Dr. LeCompte he thought it would be expedient to sign it over to the committee's account and it would be reported and managed from there. (Tr. 3/29/11, p. 88). According to Mr. Messer's testimony, he had no intent to circumvent reporting requirements.

Candidate Karen Selman testified that she accompanied Mr. Knoop when he went to Dr. LeCompte's house to receive the checks. Dr. LeCompte indicated that he did not want to make contributions to the committee and would only provide checks to

the individuals. Ms. Selman further testified that she advised Dr. LeCompte that she was going to endorse her check over to the committee and in fact endorsed it in Dr. LeCompte's garage.

Candidate Patty Meroni also testified. She indicated that she was the office manager for her husband's law firm, Meroni and Meroni and that she believed that Casey Justice may have completed some of the campaign disclosure filings for Save 5 Acres. She further testified that Ms. Justice helped their employee Patty Boni learn how to prepare campaign disclosure reports. Ms. Meroni was not asked anything about the circumstances behind her endorsement of the check to the committee.

Daniel Lundmark. co-chair of the committee until February also testified. He had no specific knowledge of the contributions made by Dr. LeCompte until the complaint was filed.

At the hearing, it was determined that Patty Boni was the individual who actually prepared the Schedule A-1 at issue. However, she was unavailable for the March 29, 2011 hearing as she was out of town. The hearing was continued until she was available.[2]

At the reconvened hearing on April 14, 2011, Ms. Boni testified that she worked for the law firm of Meroni and Meroni and was responsible for book work and data entry. In addition, she was responsible for preparing and filing the campaign disclosure forms for Save 5 Acres. She learned how to use the software from Casey Justice and had printed rules and a booklet from the State Board of Elections. She was not familiar with the committee's contribution limits. When she received the checks from the candidates that were endorsed over to the committee, she identified the candidates as the donors because that is how the checks were made out She did not receive any directions from anyone as to who should be reflected as the source of the three $5,000 checks and was

[2] The reason for Ms. Boni's absence was a source of substantial discussion. Complainant alleged that Ms. Boni's unavailability was intentional. In an effort to address the issue, Respondent offered Ms. Boni's affidavit. Inasmuch as Ms. Boni was available for the continued hearing on April 14, 2011, the reason for her initial unavailability was moot.

not aware that one of the purposes of campaign finance laws is to show the true source of contributions.

Subsequent to the hearing, the parties were given leave to file the various D-1 statements filed by the committee along with a letter from Respondent's attorney explaining the various filings.

APPLICABLE STATUTES

The complaint alleges that Respondents violated Sections 9-25, 9-26 and 9-8.5 of the Election Code.

Section 9-25 provides as follows:

> Sec. 9-25. No person shall make an anonymous contribution or a contribution in the name of another person, and no person shall knowingly accept any anonymous contribution or contribution made by one person in the name of another person. Anonymous contributions shall escheat to the State of Illinois. Any political committee that receives such a contribution shall forward it immediately to the State Treasurer. (Source: P. A. 78-1183.) 10 ILCS 5/9-25

Section 9-26 provides as follows:

> Sec. 9-26. Willful failure to file or willful filing of false or incomplete information required by this Article shall constitute a business offense subject to a fine of up to $5,000. Willful filing of a false complaint under this Article shall constitute a Class B misdemeanor. A prosecution for any offense designated by this Article shall be commenced no later than 18 months after the commission of the offense. The appropriate State's Attorney or the Attorney General shall bring such actions in the name of the people of the State of Illinois. (Source: P.A. 90-737, eff. 1-1-99.) 10 ILCS 5/9-26

Section 9-8.5 provides, in pertinent part, as follows:

> Sec. 9-8.5. Limitations on campaign contributions.
> (a) It is unlawful for a political committee to accept contributions except as provided in this Section.
> (b) During an election cycle, a candidate political committee may not accept contributions with an aggregate value over the following: (i) $5,000 from any individual, (ii) $10,000 from any corporation, labor organization, or association...
> 10 ILCS 5/9-8.5

Respondent's Position

Respondent alleges that there was never, at any time, an attempt to hide the fact that Dr. LeCompte was the true source of the three checks to the candidates. Respondent further argues that there was never an attempt to "launder" the funds by paying them through the trustee candidates. Rather, the Respondent contends, the

inaccuracy in reporting the true source of the contributions arose out of confusion on the part of the candidates as well as on the part of the parties responsible for preparing the campaign disclosure documents. Respondent contends that the actions taken by the Respondent committee and candidates subsequent to the filing of the first A-1 evidenced the Respondent's sincere effort to correct its reporting problems, however ineffective these actions may have been. Additionally, all funds donated by Dr. LeCompte were ultimately returned in an effort to fully rectify any problems that occurred as a result of the contributions. Finally, according to Respondent, the changes in the reporting requirements since January, 2011 exacerbated already confusing reporting requirements.

DISCUSSION

The evidence clearly and unequivocally establishes that (1) the three $5,000 checks paid to trustee candidates Joseph Messer, Karen Selman and Patty Meloni came from one individual source, Dr. LeCompte. (2) the aggregate value of the checks from Dr. LeCompte was $15,000, (3) Dr. LeCompte, being the actual donor, should have been identified as the source of the contributions on the Committee's Schedule A-1 regardless of what kind of committee Save 5 Acres was at the time of the contributions, and (4) the contribution in the amount of $15,000 from a single donor exceeds the amount the committee was permitted to accept. Therefore, it is equally clear that the committee violated Sections 9-25 and 9-8.5 of the Election Code.

However, there is nothing in the record to suggest that the reporting violations were in any way willful or intentional. Rather, the evidence clearly establishes that the reporting violations were a result of inexperience and confusion. Therefore, there was no violation of Section 9-26.

RECOMMENDATION

For the foregoing reasons, it is my recommendation that the State Board of Elections find that Respondents violated Section 9-8.5 and 9-25 of the Election Code. It is my further recommendation that the State Board of Elections issue an order directing the Respondent to comply with all reporting requirements in the future and notifying the Respondent that failure to comply with a Board Order will subject the Respondent to a civil penalty not to exceed $5,000.

Motion To Issue Subpoenas

Introduction

At the closed preliminary hearing in the above-captioned matter on March 18, 2011, Respondent Patty Meroni testified under oath that Save 5 Acres campaign consultant Casey Lee Justice was the person, and only person, who prepared and filed the A-1 campaign contribution reports in question in the above-captioned matter with the State Board of Elections. Appendix A. Since one of the primary allegations of the above–captioned complaint is that the Respondents (or someone acting on their behalf or at their direction) filed 2 A-1 reports falsely claiming that Dr. LeCompte's $15,000 in contributions to the Save 5 Acres candidates were 3 $5,000 contributions from candidates Meroni, Selman and Messer, the Complainant sought to subpoena Casey Lee Justice for testimony in the March 29, 2011 open public hearing.

The Respondents agreed to produce Ms. Justice in lieu of the issuance of a subpoena and at the March 29, 2011 open public hearing, Ms. Justice testified under oath that the 2 A-1 reports in question were not prepared and sent by her but were prepared and sent by the Meroni & Meroni law firm part-time bookkeeper Patti Boni. Ms. Justice further testified that she did not instruct Patti Boni as to what these particular A-1 forms should report. Later in the March 29, 2011 hearing, it was disclosed that Patti Boni was not available to testify at State Board proceedings in this matter until after the April 5, 2011 election because she was out-of-state on a family "spring break" vacation. The above-captioned campaign finance complaint case was therefore continued until the record could include the testimony of a necessary witness, Patti Boni.

Relevant areas of evidence at such continued hearing include, but are not limited to:

1. the identity of the person(s) who prepared the A-1 reports in question:

2. the identity of any person(s) who directed or suggested that the reports should attribute the contributions to the original payee on each check and not the payor of the 3 checks;

3. whether the witness' unavailability to appear as a witness before the Illinois State Board of Elections was arranged, procured, contrived or manufactured on or after March 14, 2011, the date of the filing of the above-captioned case; and

4. the identity of any person(s) who arranged, procured, contrived or manufactured witness' unavailability to appear as a witness before the Illinois State Board of Elections prior to the election day, April 5, 2011.

Motion

Pursuant to the Rules and Regulations of the State Board of Elections, specifically 26 Il. Admin Code §125.360 Complainants, by and through their attorney, Richard K. Means, hereby move that the Hearing Officer authorize the issuance of subpoenas as follows:

1. A subpoena / subpoena *duces tecum* on Patti Boni, Meroni & Meroni, PC, 5 Bellwood Drive, Barrington Hills, Illinois requiring:

    a. Her to appear to testify at a specific date, time and place set by the hearing officer and

    b. To bring with her all documents, notes, correspondence, communications, directions, tickets, receipts or other recordings in any form respecting:

        i. How she was to report campaign contributions made to or for the benefit of Save 5 Acres campaign committee and/or its candidates;

        ii. Any travel, vacation, recreation, entertainment or housing accommodations she and/or members of her family experienced between the dates of March 14, 2011 and April 5, 2011 inclusive;

        iii. Any payments made to (or for the benefit of) her and/or members of her family in relation to any travel, vacation, recreation, entertainment or housing accommodations she and/or members of her family experienced between the dates of March 14, 2011 and April 5, 2011 inclusive; and

        iv. Any payments made to (or for the benefit of) her and/or members of her family for any reason between the dates of March 14, 2011 and April 5, 2011 inclusive. and

2. A subpoena *duces tecum* on the Keeper of Records, Meroni & Meroni, PC, 5 Bellwood Drive, Barrington Hills, Illinois requiring:

    a. Him or her to appear to testify and produce books and records at a specific date, time and place set by the hearing officer and

    b. To bring with him or her all documents, notes, correspondence, communications, directions, tickets, receipts or other recordings in any form respecting payments made to, to be used by or for the benefit of Meroni & Meroni, PC employee Patti Boni (and or members of her family) from January 1, 2009 to the present:

The complainants recognize that some of the correspondence, documents and other communications sought herein might be privileged from disclosure ***IF*** they were attorney-client communications between one of the Respondents or witnesses and their personal attorney at the time of the communication ***AND*** no person, other than the attorney and client, were present or included in the communication. To the extent that any of the communications or documents sought above are subject to the assertion of privileged attorney-client communications, the Complainants move that the Respondents be required to disclose the subject matter of the communication, its date and the names of the persons who were party to the communication.

Conclusion

Wherefore, Complainants pray that their Motion To Issue Subpoenas be granted.

Respectfully submitted,

Richard K. Means

you give it to?

A. I gave it to our consultant who does some of our paperwork and the deposit was made out and deposited in the bank account.

Q. Who is the consultant?

A. The consultant is Casey Justice, J-u-s-t-i-c-e.

Q. And where -- did you give just your check to Casey Justice or did you have all three checks at that point?

A. I was given all three checks to have them deposited.

Q. And then Casey Justice made the deposit; is that right?

A. To the best of my knowledge. I don't remember all the details because it's been a busy campaign season.

Q. Okay. And let me show you Complainants' Number 1 which appears to be a fax from the Law Office Of Meroni & Meroni --

A. Correct.

Q. -- to the State Board of Elections?

A. Correct.

Q. Have you seen that document before?

A. No, not until now, but I see their fax number and Meroni & Meroni on the top.

HEARING OFFICER GREBEN: Excuse me. Can I see this?

MR. FOGARTY: This is Complainants' Exhibit Number 1.

MR. MEANS: This is Complainants' Number 1, the first A-1.

HEARING OFFICER GREBEN: I got it.

BY MR. MEANS:

Q. So you didn't make this document?

A. I did not.

Q. Do you know who did make the document?

A. Casey.

Q. And did Casey send it from your office?

A. Yes, she did.

Q. Okay. And this was -- this reported the contributions of Patty Meroni, Joe Messer, and Karen Selman of $5,000 each in addition to reporting some other contributions?

A. Yes, it does.

Q. And did you see Casey prepare the document or send the document?

A. She was in the office working on the

paperwork.

Q. Okay.

A. I was not watching her. I'm busy. Past that, I can't tell you.

Q. Let me show you what has been marked as complainant's -- I'm sorry, did you instruct Casey as to how the donation should be reported, whether they should be reported?

A. No, I didn't.

Q. Okay. Complainants' 2 appears to be an electronic report of the same substantive information the following day on the 17th. Are you familiar with the IDIS, I-D-I-S, reporting system?

A. I'm not, no.

Q. Does Casey make the electronic reports for the Save 5 Acres committee?

A. She has been, yes.

Q. Now you say she has been. Was there a time when others made the reports?

AFFIDAVIT OF PATTI BONI

I, Patti Boni, being first duly sworn under oath, do solemnly swear that:

1. I reside at 1600 Mink Trail, Cary, Illinois. I am of legal age and under no legal disability, and if called to testify could competently testify to the following.

2. I perform accounting work for the law firm of Meroni & Meroni two days a week. I have worked for Meroni & Meroni for the past 9 years.

3. Beginning on or about January 18, 2011, I began to perform part-time filing and clerical work for the Save 5 Acres political committee. Among other things, I assisted with the filing of campaign finance disclosure reports with the State Board of Elections on behalf of the Save 5 Acres political committee, including the Schedule A-1 reports at issue in this matter.

4. Attached hereto as Exhibit A is a true and correct copy of my invoice to Save 5 Acres. This invoice accurately reflects all of the work I performed on behalf of Save 5 Acres.

5. Attached hereto as Exhibit B is a true and correct copy of a check from Save 5 Acres to me for the work that I did for Save 5 Acres. This is the only remuneration of any kind I have ever received for the work I did for Save 5 Acres.

6. I am the mother of two children, Carl and Caitlyn. Both are students at Cary-Grove High School, whose spring break was March 28, 2011 through April 1, 2011.

7. In late June of 2010, I began planning with my family a vacation that would coincide with my childrens' spring break. In fact, I purchased air fare in anticipation of that trip on July 1, 2010. Attached hereto as Exhibit C is a true and correct copy of my family's itinerary as purchased on July 1, 2010.

8. This family trip was planned and funded solely by me and my husband long before this matter was commenced, and long before I began to perform part-time work for Save 5 Acres.

9. Because I was on spring break vacation with my family, I was unable to attend the public hearing in this matter, which was held on March 29, 2011. At no time did anyone direct me to be out of town for this hearing.

Further affiant sayeth naught.

On September 25, 2006, the Transportation Security Administration (TSA) announced new limitations to the volume of liquids and gels that air travelers would be permitted to take in carry-on luggage. To aid in understanding these new security limitations, the TSA announced its "3-1-1" program, with the following instructions to all air travelers (taken from the TSA web site, www.tsa.gov):

Liquids and gelsare considered any article that you can pour, pump, squeeze, spread, smear, spray or spill.

3 –1–1 for carry-ons= liquids in carry-on luggage must be contained in 3 ounce bottles or less; bottles are to be contained in 1 quart-sized, clear, plastic, zip-top bag; 1 bag per passenger placed in screening bin. One-quart bag per person limits the total liquid volume each traveler can bring. 3 oz. container size is a security measure.

Consolidate bottlesinto one bag and X-ray separately to speed screening.

Be prepared. Each time TSA searches a carry-on it slows down the line. Practicing 3-1-1 will ensure a faster

and easier checkpoint experience.

3-1-1 is for short trips. If in doubt, put your liquids in checked luggage.

Declare larger liquids. Prescription medications, baby formula and milk are allowed in quantities exceeding three ounces and are not required to be in the zip-top bag. Declare these items for inspection at the checkpoint.

Come early and be patient. Heavy travel volumes and the enhanced security process may mean longer lines at security checkpoints.

Please visit the Transportation Security Administration online at www.tsa.gov for more information.

1. Subsequent to January 1, 2011 and prior to February 14, 2011, in Barrington Hills, Illinois, Benjamin B. ("Barry") LeCompte III. of Barrington Hills, Illinois made $15,000 in campaign contributions to the Save5Acres for Barrington Hills Trustees candidate political committee by giving Patty Meroni, Karen N. Selman and Joseph Messer $5,000 each which LeCompte knew would be "laundered" through each candidate's personal accounts and deposited in the Save5Acres candidate political committee accounts as if the funds came from the candidates individually and would be reported by the committee to the State Board of Elections as such. This scheme permitted LeCompte, the committee, its officers and its candidates to avoid the public disclosure of the true identity of the source of the funds and permitted a donation of 3 times the maximum amount an individual could legally donate to a candidate political committee. These acts constituted violations of the Illinois Campaign Finance Act §§9-25 (making campaign contributions in the name of another), 9-26 (filing false reports) and 9-8.5 (making campaign contributions to a candidate political committee in excess of the legal maximums).
2. Respondents Save5Acres political committee, Jason Elder, the committee chairman, Dan Lundmark, the committee co-chair, John Rosene, a committee *de facto* officer and E. Margaret Eich and Karen Rosene the committee treasurer (at various times during the scheme) and candidates Patty Meroni, Karen N. Selman and Joseph Messer facilitated, aided and abetted the scheme described in paragraph 1 above. These acts constituted violations of the Illinois Campaign Finance Act §§9-25 (making campaign contributions in the name of another), 9-26 (filing false reports) and 9-8.5 (making campaign contributions to a candidate political committee in excess of the legal maximums).

AFFIDAVIT OF JONATHAN J. KNIGHT

I, Jonathan J. Knight, on oath, deposes and if called to testify would state as follows:

1) That I am a 28-year resident and registered voter domiciled at 13 Ashbury Lane in Barrington Hills, Illinois;

2) That I have long been active in civic affairs in the Village of Barrington Hills and currently serve as the Chairman of the Village's Zoning Board of Appeals;

3) That, since the Fall of 2010, I have supported, and continue to support, one candidate for the office of Village Trustee for the Village of Barrington Hills in the Consolidated Municipal Election on April 5, 2011 but I have not and do not specifically support or oppose other candidates including all persons implicated in the facts discussed in this affidavit;

4) That on March 4, 2011, I was given information which I understand might constitute both civil and criminal violations of the Illinois Election Code which I believe I am duty-bound to report to the appropriate authorities;

5) That approximately at 10:00 pm on Friday, March 4, 2011, I placed a telephone call to John Rosene who resides at 208 A Braeburn Road in Barrington Hills to discuss with him general issues in the upcoming election in Barrington Hills. That, in the course of that conversation, John Rosene told me that Village of Barrington Hills resident Benjamin B. LeCompte III., M.D. had made campaign contributions to Save5Acres campaign committee Village Trustee candidates Patty Meroni, Karen N. Selman and Joseph Messer in the form of a $5000.00 check to each candidate, for a total of $15,000.00. I opined to John that this may have created a potential disclosure issue, in that the filings of Save5Acres with the State Board of Elections showed contributions coming from the candidates to their Committee, and not from Dr. LeCompte. I added, however, that I had no way of confirming that because I lacked thorough understanding of the laws.

6) I had reason to believe what Mr. Rosene had told me was true because I have known him socially and in Village of Barrington Hills civic affairs for approximately 5 years, have known Mr. Rosene was an integral part of the Save5Acres campaign committee and that his wife, Karen Rosene, was, for a time, the Treasurer of the Save5Acres campaign committee. In addition, I had reason to believe what Mr. Rosene had told me was true because I checked the State Board of Elections Web site and found a report of three (3) $5000 contributions being received by the Save5Acres committee directly from its candidates, Patty Meroni, Karen

N. Selman and Joseph Messer, on February 14, 2011. I had reason to believe the information about these campaign finance violations told to me by Mr. Rosene were factual given his detailed statements about these contributions and, to the best of my knowledge, Mr. Rosene has never lied to me.

7) Following that conversation with Mr. Rosene, on March 9, I spoke to a, George Schueppert, who had run in prior Village elections, asking his opinion on what I had learned from Mr. Rosene. The next day, Mr. Schueppert put me in touch with election lawyer, Richard K. Means, who explained to me the legal consequences of the information I had been told and the proper way to bring it to the attention of the appropriate authorities; and

8) I stand ready to cooperate with the appropriate governmental agencies to determine whether violations of the campaign finance laws occurred and to assist those agencies with the appropriate resolution of resulting legal proceedings.

Affiant further sayeth naught.

Respondent

REPORT OF EXAMINER

This hearing was held as a result of a Complaint filed pursuant to "An Act to Regulate Campaign Financing" (Illinois Compiled Statutes, 10 ILCS 5/9-1, et seq. (hereafter referred to as the Act) alleging that the Respondents violated 10 ILCS 5/9-8.10, 5/9-25.1(b), 5/9-10 and 5/9-2(e). Specifically, the Indian Trails Public Library District made illegal expenditures of public funds and failed to properly report contributions, and the Friends of the Indian Trails Public Library failed to properly report contributions and improperly named the committee. *Robert Sherman v Indian Trails Public Library District & Friends of Indian Trails Library*, see attached.

STATES EXHIBITS

To be made a part of this report, a copy of the D-4, Complaint for Violation of the Campaign Disclosure Act, filed on March 29, 2011, at the Board's Chicago office, 100 W. Randolph St., Suite 14-100, Chicago, IL 60601; Notice and Summons regarding the Complaint; Notice of the Closed Preliminary Hearing to be conducted in the matter, Thursday, April 7, 2011, at the Illinois State Board of Elections Office, 100 W. Randolph St., Suite 14-100, Chicago, IL, 60601.

OBJECTIONS

The Respondent objected to Robert Sherman's interpretation, or opinion of what the exhibits indicate. Mr. Sherman was allowed to express his thoughts on what he believed the exhibits indicate.

The Respondent objected to hearsay evidence. The hearsay evidence was allowed and the hearing officer will weight this evidence accordingly.

COMPLAINANTS CASE –IN-CHIEF

The Complainant was represented by Richard Means. Also in attendance was Robert Sherman.

The Complainant introduced 6 exhibits into evidence. Complainant Exhibit 1 is a four page mailer sent out by the Indian Trails Public Library. Complainant Exhibit 2 is a post card sent out by the Indian Trails Public Library. Complainant Exhibit 3 is an e-mail sent out by the Indian Trails Public Library. Complainant Exhibit 4 is the Statement of Organization the Friends of Indian Trails Library District filed on 3/10/11 with the State Board of Elections. Complainant Exhibit 5 is the body of an email that was sent out by the Indian Trails Public Library District. Complainant Exhibit 6 is a screen capture of the Indian Trails Public Library (Mr. Sherman testified the screen capture was produced on 3/19/11).

The Complainant alleges that the Indian Trails Public Library District violated 5/9-8.10 and 5/9-25.1(b) by illegally making expenditures of public funds on electioneering communications in Complainant Exhibits 1, 2, 5, and 6. Additionally the Complainant also alleges that the Indian Trails Public Library District violated these same sections by housing and hosting the Friends of the Indian Trails Library District. The Friends of the Indian Trails Library District has the same mailing address as the Indian Trails Public Library as indicated on

Complainant Exhibit 4. Robert Sherman, the Complainant, testified that he believes the Indian Trails Public Library District's mailer, e-mails and website all clearly show that they are susceptible to no reasonable interpretation other than as appeal to vote for the 4/5/11 Library Referendum in the Indian Trails Public Library District and this is advocacy literature. Furthermore, he also testified that the information provided is not completely factual in nature and that it is rather one sided. Complainant Exhibit 3 has five points that would be in favor of the referendum and only one point in relation to the referendum no being passed. Mr. Sherman believes the wording of "All with NO INCREASE IN YOUR PROPERTY TAX BILL" and GROW YOUR LIBRARY...Not Your Tax Bill" are both false and misleading statements. Mr. Sherman believes this is a tax increase referendum and that these advocacy pieces were sent out to all of the registered voters and businesses in the Indian Trails Public Library District and part of the surrounding area. The Complainant alleges that the Indian Trails Public Library District violated 5/9-10 by failing to report the receipt of funds with which it published and distributed the mailer, e-mails and web pages. The Complainant also pointed out that the Respondent has not denied that public funds were spent on the mailer, the e-mails and the website.

In relation to the Friends of the Indian Trails Public Library District the Complainant alleges the Committee should have reported where the amount of funds available as of creation date came from. Mr. Means indicated that this was a clear violation of 5/9-10 and stated that in the past the Board has made committees go back and report where the funds actually came from. He believes this matter should not be considered differently because an existing group becomes a committee. Mr. Means believes this Committee should have to report where all of these funds came from. He pointed out on Complainant Exhibit 4 that this Committee was created as a ballot initiative committee with a purpose of supporting the April 5, 2011 Library Referendum. Mr. Means indicated that this was a clear violation of 5/9-2(c) for the Committee's name does not contain wording that it supports the referendum. The Complainant also alleges that this Committee has not filed the appropriate receipts in the form of a Schedule A-1.

The Complainant request that the Board determine justifiable grounds have been met and a public hearing be set. A public hearing would allow the Complainant to subpoena information in regards to these matters, determine the amount of public funds that were spent and have relevant parties testify.

The Complainant also requested that the hearing officer note that the Library Referendum passed by approximately 144 votes out of approximately 4,000 votes cast. The Complainant believes the public funds that were spent in support of this referendum rigged the results of the referendum and the results will be contested with the appropriate authority.

RESPONDENTS CASE-IN-CHIEF

The Respondents were represented by Roger Ritzman. The Respondent tendered to the Hearing Officer and the Complainant prior to the closed preliminary hearing an Answer to Complaint, and an Answer And Affirmative Defenses To Complaint in regards to both Respondents, these documents have been attached to the hearing officer report for the Board.

The Respondent introduced 1 exhibit into evidence. Respondent Exhibit 1 is a screen capture from the Secretary of State's website showing The Friends of the Indian Trails Public Library District has been a not-for-profit since 1976.

The Respondent believes that the bulk of the Complainants case is centered on a reasonable interpretation of what these documents mean. It is up to the hearing officer and the Board to determine if these materials are factual in nature and not Mr. Sherman. The position of the Library District and whether they were acting in its capacity as a unit of local government or acting as a ballot initiative committee doesn't really matter in relation to the material that was produced. The Library District believes these materials to be factual and informational in nature only. The Library District filed as a political committee given the results of the *Citizens Organized to Save the Tax Cap v Northfield Twp HS District 225*, whereas the court system determined that a local unit of government can qualify as a political committee. The statute later changed in regards to electioneering communications and now only certain types of media are included but the Library District opted to file as political committee given the state of the law. Mr. Ritzman indicated that the hearing officer and the Board will

need to determine if these documents were reasonably constructed and whether the interpretation constitutes as an appeal to vote for or against the referendum.

Mr. Ritzman indicated that the Friends of the Indian Trails Public Library District is a not-for-profit as indicated in Respondent Exhibit 1. As for the source of the funds listed on the Statement of Organization this is the amount the organization had on hand when they formed the political committee.

CONCLUSIONS AND RECOMMENDATIONS

It is the opinion of the hearing officer that the Indian Trails Public Library District was not required to file as a ballot initiative committee. I believe Complainant's Exhibit 1 and 2 would not be electioneering communications since P.A. 96-0832 removed printed materials from the definition. Furthermore, I believe Complainant Exhibit 3, 5, and 6 would not be susceptible to a reasonable interpretation as an appeal to vote for or against a question of public policy. The information in Complainant Exhibits 1, 2, 3, 5, and 6 appear to be factual in nature and though I agree that more information was given leaning towards supporting the referendum, I believe opposing the referendum has only one relevant point and that is the fact that taxes would be reduced from their current level. I therefore recommend that the alleged violations of 5/9-25.1 and 5/9-8.10 were not filed on justifiable grounds. Furthermore, I recommend the alleged violation of 5/9-10 in relation to electioneering communications was not filed on justifiable grounds, since I believe these communications were not electioneering communications. However, if the Committee has violated 5/9-10 outside of this alleged violation I believe the State Board of Elections will assess any appropriate fines. In addition, I believe the Indian Trails Public Library District should not have filed a Statement of Organization because it appears they did not raise or spend more than $3,000 in support of or in opposition to a referendum or make electioneering communications on behalf of a referendum. Because it appears that the filing was unnecessary, the Respondent may want to consider filing a Final Report.

In regards to the Friends of Indian Trails Public Library District having the same mailing address as the Indian Trails Public Library District I do not see a financial value or cost associated with this in regards to additional funds that the Library District would have spent. Therefore, I do not believe justifiable grounds exist that Sections 9-25.1 and 9-8.10 were violated. The Friends of Indian Trails Library District may want to find a new location to send its mail to avoid future speculation of misuse of public funds. As for the Friends of Indian Trails Library District name not containing the fact that they support the passage of the referendum, I believe justifiable grounds exist that the Committee is in violation of 5/9-2(e), since the name of the Committee does not mention support of a referenda. In regards to the funds available listed on the Statement of Organization I believe the Committee should have reported the funds coming from the not-for-profit organization The Friends of the Indian Trails Public Library District and listed on the Statement of Organization $0 for funds available. Therefore, I believe that Section 9-10 was violated and this allegation was filed on justifiable grounds in regards to the fact that the Committee did not disclose where the $10,000 came from. However, I do not believe this matter should proceed to a public hearing. Rather, I recommend that the Board issue an Order for the Friends of Indian Trails Public Library District to amend the Statement of Organization showing funds available of $0, and wording in its name to show that the referendum was supported and to report on the Quarterly Report a transfer of funds from the not-for-profit to the ballot initiative committee within 30 days of the Final Order. If this Committee fails to amend the D-1 and report on the D-2 the appropriate information in accordance with the Board Order within 30 days the Board should assess this Committee a penalty not exceeding $5K for failure to comply with a Board Order. However, if the Committee files these reports I recommend that no further action be taken in this matter, except for the assessment of a penalty by the Board for any delinquent filings of contributions of $1,000 or more.

STATE BOARD OF ELECTIONS

MEMORANDUM

From the desk of:
Rupert T. Borgsmiller, Executive Director

TO: Chairman Schneider
Vice Chairman Rednour
Members of the Board

SUBJECT: Election Management System

DATE: June 3, 2011

The State Board of Elections has been approached by Mr. Lance Gough, Executive Director of the Chicago Board of Election Commissioners, regarding a partnership to develop a new Election Management System (EMS) which would be available to Chicago and any other election jurisdiction in Illinois. The EMS system, among other things, is the voter registration system for the jurisdictions and many of the systems currently in place use outdated technology that need to be replaced. For Illinois to remain HAVA compliant, continued connectivity of the local systems to IVRS is necessary, which is why I feel that the SBE should at least consider his proposal.

I feel that this is a worthwhile project that would benefit many election jurisdictions in Illinois and the SBE, while saving the state untold amounts of money. I realize that there are many unanswered questions and there could be obstacles that would have to be addressed however, I feel the benefits of his proposal warrant further investigation.

Mr. Gough will be making a Power Point presentation regarding his proposal.

Dear Mr. Borgsmiller:

We write to you as the chief elections official for the State of Illinois to request information concerning your State's compliance with Section 8 of the National Voter Registration Act of 1993, 42 U.S.C. § 1973gg-6 ("NVRA").

Among the requirements imposed by Section 8 of the NVRA is an obligation that States ensure that eligible citizens who properly register to vote are timely placed on the voter rolls and that registered voters who are no longer eligible to vote in the jurisdiction are timely removed from the voter rolls. In particular, Section 8(a)(4) of the NVRA, 42 U.S.C. § 1973gg-6(a)(4), mandates that in the administration of voter registration for federal elections, each State must, on a uniform and nondiscriminatory basis, "conduct a general program that makes a reasonable effort to remove the names of ineligible voters from the official lists of eligible voters by reason of (A) the death of the registrant; or (B) a change in the residence of the registrant."

You recently provided us with data indicating that, in fourteen of Illinois's 102 counties, the number of registered voters exceeds the voting-age population. We now write to request: (1) data on the number of registered voters who received removal notices during the two year period from November 2006 to November 2008 covered by the 2009 Report of the U.S. Election Assistance Commission (EAC) entitled "The Impact of the National Voter Registration Act of 1993 on the Administration of Elections for Federal Office 2007-2008," along with the results of those mailings broken down by the categories described in Section 4a of the EAC Report; (2) comparable data on the number of voter removal notices sent for the period from November 2008 to November 2010, again broken down by categories described in the EAC Report; and (3) information on the specific measures that constitute Illinois's general program to remove ineligible voters from the registration list, including a detailed description of all list maintenance activities undertaken under the NVRA with a schedule of when they have occurred.

Please provide this information no later than four weeks from the date of this letter. The materials may be sent by overnight express service to Voting Section, Civil Rights Division, Room 7254 - NWB, U.S. Department of Justice, 1800 G Street N.W., Washington, DC 20006 or by United States Postal Service to Voting Section, Civil Rights Division, U.S. Department of Justice, Room 7254 - NWB, 950 Pennsylvania Ave. N.W., Washington, DC 20530. You can also email your response to voting.section@usdoj.gov. If you have any questions regarding our request, please contact T. Russell Nobile at (202) 307-1190. We appreciate your cooperation in our nationwide effort to monitor the progress of NVRA compliance.

Sincerely,

T. Christian Herren Jr

Dear Chief Herren:

In response to your request for information regarding data on the number of registered voters who received removal notices during the two year period from November 2006 to November 2008 and from November 2008 to November 2010 along with the results of these mailings broken down by the categories described in Sections 4a and 4b of the EAC Report, I have provided a spreadsheet for each of these time periods containing the appropriate data.

Please note that the numbers in these spreadsheets for both of the time periods do not directly correlate with the data provided by the EAC in the various categories within their 2009 Report. We experienced this same problem in 2006 with the data provided by the hired EAC consultants in comparison to the data that we received from each individual Election Jurisdiction. We are confident in the numbers that we are providing you and have taken considerable action to ensure their accuracy. Any data provided by an individual Election Jurisdiction that appeared to be inaccurate was brought to the attention of that Jurisdiction and was subsequently verified by them. In the second workbook of each spreadsheet we have provided an explanation as to why certain Jurisdictions are missing numbers within given categories. Overall we feel that the data provided in these spreadsheets is more precise than the data provided by the EAC in their report.

In response to your request for information regarding the specific measures that constitute Illinois' program to remove ineligible voters from the registration list, I am providing you the Illinois State Board of Elections Manual for National Voter Registration Act Implementation. Rather than making an attempt to summarize this section (as it contains meticulous instructions on how these rolls should be maintained), I felt it would be more helpful to simply send you this publication. Please refer to Section X of this manual, which details the actions that each Election Jurisdiction should take in maintaining their voter registration rolls. This manual is provided to each Election Jurisdiction and serves as the protocol for instructing each Jurisdiction as to how they should manage their voter registration rolls. Section X of the manual also provides the Jurisdictions with a comprehensive chart of how the process should be conducted to go along with the aforementioned written instructions. I expect this manual will provide you with all the information you are seeking in regards to the general program used to remove ineligible voters from the voter registration list.

Also, included is a copy of the relevant provisions of the Rules and Regulations promulgated by the State Board of Elections which implements the provisions of NVRA relating to the maintenance of voter registration rolls in Illinois.

I believe that these detailed spreadsheets pertaining to the removal notices for each two year period and Section X of the Manual for National Voter Registration Act Implementation will provide you with all the information you sought in your request. Please feel to contact us with any questions or concerns.

Sincerely,

Rupert T. Borgsmiller
Executive Director

STATE BOARD OF ELECTIONS

MEMORANDUM

From the desk of:
Rupert T. Borgsmiller, Executive Director

TO: Chairman Schneider
Vice Chairman Rednour
Members of the Board

SUBJECT: Awards and Grants Funds

DATE: June 3, 2011

At the May Board meeting I was asked to make a recommendation regarding the distribution of the remaining funds in the lump sum amount for Awards and Grants. To that end I have reviewed expected obligations through the end of the fiscal year and I recommend that we distribute the remaining funds for Early Voting Assistance to Local Governments for the April Consolidated Election. According to our projections the SBE would distribute approximately $460,000. If we were able to fully fund the early voting assistance grant it would cost approximately $1.3 million. This reimbursement is based upon a formula regarding registered voters in each jurisdiction. The funds would be distributed on a pro-rata basis to all jurisdictions.

Re: SBE Costs for Conducting SERS Trustee Election
Date: June 2, 2011

At the May Board meeting, Member Keith inquired as to costs associated with the State Board of Elections (SBE) staff conducting the State Employees' Retirement System (SERS) trustee election. The following are the estimates for personnel, building and mileage costs:

Personnel	$5,014.13
Building	211.86
Mileage	24.70
Total	$5,250.69

The above estimates are based upon staff time already expended in picking up and sorting the ballots received, and the remaining work of manually tabulating ballots (22,821 of them) to be performed from approximately 8:30 AM on June 6 through 4:00 PM on June 7 at the Springfield office, using 10 staff members. The ultimate cost will vary depending upon the actual staff time required for tabulation.

The SBE first tabulated ballots for SERS in 1986. This is the 7th SERS election the SBE has assisted with. The SBE does not receive any compensation from SERS for this service. I would note that on some previous occasions, the SBE has used the SERS facility to conduct Board meetings at no charge to the SBE (SERS doesn't generally allow other agencies to use their facility for such purposes).

Re: Consequences and Penalties for Violation of Contribution Limits

Date: June 3, 2011

Below is the applicable section of the Act in regards to Consequences and Penalties for the Violation of Contribution Limits.

Section 5/9-8.5(j) of the Election Code reads:

A political committee that receives a contribution or transfer in violation of this Section shall dispose of the contribution or transfer by returning the contribution or transfer, or an amount equal to the contribution or transfer, to the contributor or transferor or donating the contribution or transfer, or an amount equal to the contribution or transfer, to a charity. A contribution or transfer received in violation of this Section that is not disposed of as provided in this subsection within 15 days after its receipt shall escheat to the General Revenue Fund and the political committee shall be deemed in violation of this Section and subject to a civil penalty not to exceed 150% of the total amount of the contribution.

Following is my recommendation in regards to the assessment of civil penalties when there is a violation of the contribution limits:

1. The amount to escheat to the State as well as the civil penalty assessed by the Board, shall be based upon the amount received in excess of the contribution limits. The amount in excess of the contribution is the amount received in violation of the Law. This interpretation will be brought to the attention of the Campaign Finance Reform Task Force for their input, and any responses will be noted for the Board's consideration.

2. The law provides for two separate consequences for a violation. The first is the amount of the contribution in violation of the Act escheating to the state. If the Board has determined that a violation has occurred, it has no discretion regarding this consequence. The second is the additional discretionary penalty assessment by the Board. In either case, a final Board Order must issue finding a violation prior to either of these two consequences taking affect.

3. If the contribution is neither returned to the contributor nor donated to a charity **within the allotted 15 days,** there appears to be no discretion in the law in regards to escheatment to the general revenue fund. That amount must escheat to the State even if the contribution were returned **after** the 15 day period has run. The Final Board Order should indicate that the committee must escheat this amount to the State. I don't see a problem with the Board

accepting payment of this amount on behalf of the State. In the past, the Board has accepted payment on behalf of the State as a result of anonymous contributions or contributions made in the name of another, that pursuant to Section 5/9-25, must escheat to the State of Illinois.

4. As noted in paragraph 2, the additional civil penalty to be assessed by the Board is discretionary. I recommend that the penalty be assessed at 100% of the amount in violation of the limits; that is the amount that will be indicated in the initial assessment letter. As is the procedure for A-1 assessment letters, reductions shall be based upon a quarterly reporting period. For first time violations occurring within any quarterly period, the penalty should be reduced to 10% of the amount in violation; for second violations occurring in a different quarterly period, the penalty should be reduced to 50% of the amount in violation, and for third and subsequent violations during any other quarterly periods, a penalty of 100% of the amount in violation should be levied. The Board may also choose not to assess this discretionary penalty at all. These guidelines however would be adhered to by our Hearing Officers if approved by the Board.

5. No penalty shall be due and owing and no escheatment will be necessary until a Final Board Order has been issued.

6. If a political committee chooses not to appeal a penalty, the Final Board Order shall separately reflect the amount to be escheated to the State as well as the assessment amount outlined in number 4 above. Upon the issuance of the Final Board Order to committees that have not appealed, these committees, as well as those that have filed an appeal, shall have the opportunity to file a Motion for Reconsideration of a Board assessed penalty within 7 days.

7. Only previous violations of the **contribution limits provision** shall be considered when determining whether a violation is a first, second, third or subsequent violation.

8. Each time the contribution limits are exceeded shall be considered a separate violation. As has been past practice, a civil penalty for a first violation of any section of Article 9, including the contribution limitation provision, shall be stayed. Since the escheatment of an illegal contribution is not considered a civil penalty, but rather the automatic forfeiture of an ill gotten gain, should the Board determine that a violation occurred, the amount of the violation must escheat, regardless of whether it is a first-time violation.

9. The Board may wish to institute a policy where if the contribution in violation is either returned or given to a charity outside of the 15 day period but returned prior to any penalty assessed by the Board, while it would still be a violation, thereby escheating to the state, the Board would assess no other penalty. In this case the Board is basically saying that the escheatment alone is penalty enough.

10. As indicated in paragraph 8 above, since the amount of the violation that is to escheat to the State is not considered a civil penalty, it shall therefore not implicate the provisions of ballot forfeiture found in Section 5/9-30.

5. Comments from the general public.

6. Next Board meeting, Friday, July 1, 2011 in Springfield.

7. Executive Session.
